School Accountability Report Card

Reported Using Data from the 2017-18 School Year

Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2018-19)

Adelante is a public dual language elementary school of choice in the Alum Rock Union Elementary School District serving students from Kindergarten through the 8th grade. Each child and family is well known to the school community allowing for more individualized attention and a personalized knowledge of the strengths and interests of each child. Adelante graduates will achieve high levels of proficiency and academic success in Spanish and English.

In addition to our experienced and dedicated teaching staff, our parents play a key role in the education of our children by committing to 30 participation hours per school year. Together, all are responsible for the well-being and achievement of each student. Adelante's caring environment provides clear and positive expectations and comprehensive support to all.

Furthermore, parents are encouraged and welcomed to participate in a variety of leadership positions that strengthen the shared governance model at our school.

Together our staff, teachers and parents work as a school community to ensure a rewarding educational experience for every child.

Thank you for your interest in our school. If you have any questions, or if you are interested in your child attending Adelante Dual Language Academy, please do not hesitate to contact us at (408) 928-1900.

School Facility Conditions and Planned Improvements (Most Recent Year)

Alum Rock Union Elementary School District makes every effort to ensure all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the school office and at the district office.

The building in which Adelante resides was built in 1966. School facilities are being renovated according to the Field Act requirements of the State Building Code with a focus on earthquake safety. In the event that asbestos and lead containing building materials are found, they are removed according to Environmental Protection Agency (EPA), State, and Local requirements. Deferred maintenance funds have been used to properly maintain and renovate district buildings. Needed repairs and maintenance projects are completed in a timely manner.

Whenever possible, school facilities are upgraded to support and maintain a safe, clean and secure campus. Sufficient classroom, office, library, playground, staff space, and restroom facilities are allocated to support stakeholders' needs and the instructional program. The Alum Rock School District Maintenance and Grounds staff, in conjunction with day and night custodians, ensure the school buildings and grounds are safe, clean, and in good repair. Rigorous daily custodial schedules ensure that classrooms, lavatories, serving kitchens, eating areas, offices, and playgrounds are clean for both student and staff use. Regular oversight by district maintenance and grounds crews ensure that grass and landscaped areas are well maintained, and that the school's buildings, grounds and play areas are safe for use.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
English Language Arts/Literacy (grades 3-8 and 11)	48.0	47.0	40.0	41.0	48.0	50.0
Mathematics (grades 3-8 and 11)	45.0	41.0	33.0	33.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2017-18)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	317	314	99.05	46.50

English Learners	160	158	98.75	32.91
Students with Disabilities	25	24	96.00	20.83
Students Receiving Migrant Education Services	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Mathematics by Student Group Grades Three through Eight and Grade Eleven (School Year 2017-18)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2017-18)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	20.8	18.8	16.7
7	30.4	30.4	8.7

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2018-19)

To ensure that all students have the positive relationships and support necessary to be successful in school, the Adelante staff involves parents in instructional and support roles at the school. In addition to preparing parents to actively participate in school decision-making and developing their leadership skills in governance and advocacy, Adelante also provides parents with strategies and techniques to assist their children with learning activities at home through our family literacy nights. Finally, to ensure that parents receive the health, social, and other support services that are necessary to live healthy lives and promote student achievement, Adelante provides parents with the skills and resources to access community and support services.

Adelante has a community liaison that supports a strong parent component at our school.

Parents are committed to providing 30 hours of participation time to Adelante Dual Language Academy every year. We have developed a unique program for parent participation using the talents of our parents to lead this effort. Parent coordinators work in conjunction with teachers to provide a variety of participation opportunities for parents. For more information regarding our Parent Involvement program, please contact Kimberley Rocha at (408) 928-1900.

The following is a list of parent involvement activities:

- Governance opportunities (School Site Council, Parent Teacher Association, Parent Coordinators, Room parents and Committee chairs)
- Kindergarten orientation
- Back-to-School orientation BBQ
- Monthly principal coffees
- Three family literacy nights
- Leemos Juntos (Reading Together)
- Monthly School Site Council meetings
- Parent Teacher Association (PTA)
- Reading Under the Stars
- Science Night and Science Fair
- Spelling bee
- Beautification days
- Fun Friday incentive day
- Classroom tutors
- Sports coaches
- Helping in a variety of clerical opportunities

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School			District			State		
	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18

School Safety Plan (School Year 2018-19)

Adelante Dual Language Immersion Academy has a very detailed, comprehensive safety plan that outlines protocols, systems, and procedures in the event of any/all emergencies. The plan also contains the yearly safety goals as determined by the students, staff, and parents. The safety plan is developed by the Adelante Safety Committee before it is presented to the Alum Rock Union Elementary School District Board of Trustees for approval on an annual basis. The plan was last approved in February 2015. The safety plan and drill procedures are reviewed during the year with all staff. Safety alerts are shared with all staff as needed throughout the school year. In addition, all required drills are calendared and completed, and the results are shared with the staff.

All visitors are required to check-in at the school office. Fire drills and disaster procedures are specifically outlined and regularly updated and practiced. Safety programs include drug awareness, personal safety, and personal growth. To ensure a safe environment, the district provides extra yard duty supervisors, and all yard duty supervisors and school staff maintain a welcoming but controlled campus environment. The school grounds and playground are safe because they well-supervised by staff before, during, and after school.

The Adelante Safety Plan has a comprehensive, enforceable, and continuous behavior policy, rules and regulations, dress code policy, protocols for safety/emergency drills, tardy policy, attendance policy, referral policy, nondiscriminatory policy on student rights and responsibilities, campus security policy, harassment policy, conflict management policy, Internet safety policy, intervention and referral system policy, and visitor procedures.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Average Class Size and Class Size Distribution (Elementary)

Grade Level	2015-16				2016-17				2017-18			
	Avg. Class Size	Number of Classes			Avg. Class Size	Number of Classes			Avg. Class Size	Number of Classes

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded (Fiscal Year 2017-18)

The following activities are provided for staff and students using State and Federal funding to support underperforming students to meet grade level State standards :

- Ongoing staff development is provided in differentiated instructional practices in reading language arts and math.
- Ongoing staff development is provided in the area of English language acquisition.
- Ongoing staff development is provided to integrate technology into the curriculum as a tool to enhance teaching and learning.
- Staff receives professional development in the dual immersion model of instruction to ensure that students are prepared to meet California state standards in two languages.
- Teachers analyze data to identify at-risk or low-performing students and provide in-class interventions.
- Teachers are provided collaboration time to analyze formative data as a reference for student progress, after school intervention programs provide additional instruction to students falling below benchmark in the areas of reading, writing and math.
- SBAC Academy is provided for targeted students as a strategic attempt at providing students with an extra boost in preparation for SBAC testing.
- Teachers and principal meet to analyze and assess student data to determine if English learners are meeting standards.
- Ongoing staff development is provided to improve instruction in language arts, writing math and ELD.
- An after school-tutoring center provides support for at-risk, migrant, and English learners.
