Introduction

Since November, 1988, state law has required all public schools receiving state funding to prepare and distribute a School Accountability Report Card (SARC). A similar requirement is also contained in the federal *No Child Left Behind Act* (NCLB). The purpose of the report card is to provide parents and the community with important information about each public school. A SARC can be an effective way for a school to report on its progress in achieving its goals. The public may also use a SARC to evaluate and compare schools on a variety of indicators.

Principal's Message

As we start another school year, I wish to take this opportunity to express my personal appreciation for the academic achievements and successes that have been made here at Meyer over these past six years of reform. Meyer Elementary School has a staff of qualified, dedicated, knowledgeable, and enthusiastic teachers and support personnel who are here for the students. It is a community that offers personal growth to everyone, a good place to learn, to work, and to be. It is a place where everyone can feel secure in his or her mind, body, and property.

As principal of Meyer Elementary School my goal is to provide support and instructional leadership to the Meyer community as we continue our growth in the development of a high-quality educational enterprise that prepares all of its students for life in a fast-changing and complex world. For our students are the most important people in our school and they are the purpose of it.

Sincerely, Markeeta Fields Principal

Executive Summary School Accountability Report Card, 2007-08 Donald J. Meyer Elementary School

Address: 1824 Daytona Dr. , San Jose CA 95122-1719 Phone: 408-928-8200 Principal: Markeeta Fields Grade Span: K - 5

This executive summary of the School Accountability Report Card (SARC) is intended to provide parents and community members with a quick snapshot of school accountability. The data presented in this report are reported for the 2007-08 school year, except the School Finances and School Completion data that are reported for the 2006-07 school year. For additional information about the school, parents and community members should review the entire SARC or contact the school principal or the district office.

School Vision and Mission

D. J. Meyer Elementary School is a diverse community of lifelong learners, which integrates academic skills with personal growth and enables all to reach full potential as responsible individuals.

School Profile

Meyer Elementary School is located in the Alum Rock Union Elementary School District. It has an academic environment that motivates students to achieve their personal best.

Our primary focus is teaching and learning in an atmosphere that is safe and promotes respect and responsibility, with an appreciation for individual strength, diversity, and accomplishment.

Staff members include:

Principal

1 Instructional Coach

1 Resource Teacher

1 Resource/Intervention Teacher

26 Classroom Teachers

1 Resource Specialist Program Teacher

1 SDC Pre-Kinder

1 SDC (Grades 1 & 2)

1 SDC (Grades 3-5)

1 Part-time Classroom Music Prep Teacher

1 Part-time Instrumental Music Teacher

1 Part-time Physical Education Prep Teacher

1 Part-time APE Teacher

1 Speech Therapist

1 Part-time Psychologist

1 Administrative Assistant

1 Office Assistant

BTSA Providers

Health Assistant Paraprofessionals Library Assistant Custodians

Child Nutrition Staff

Special Programs and Services

All students at Meyer Elementary, including those in RSP and SDC programs, use the district-wide core curriculum. They participate in various intervention programs and instructional strategies that include but not limited to balanced literacy and reading fluency such as after school tutoring programs, the Boys and Girls Club, and LEARNS Program.

School Staff Utilization and Funding Sources

All staff who serve the students at Meyer School are funded by the following sources: SIP, TITLE I, EIA and the English Language Acquisition Program.

Parent, Community, and Business Involvement

The parents, the community, and the businesses surrounding Meyer School participate actively through the PTA, School Site Council, City of San Jose crossing guards, Neighbor Initiative, Red Ribbon Week, Outdoor Science School, assemblies, parent volunteers on campus, fundraising, after school intervention program, School-Linked Services, Healthy Start, LEARNS program, Boys' and Girls' Club, Parent Night, Volunteer Day, English, writing, math, & reading classes, Family Math Night, Family Science Night, Family Literacy Night, Halloween Parade, Thanksgiving Turkey Trot.

Special Education, ELL, GATE, and Targeted Assistance Data

Meyer's identified students participate in special education program, such as A.P.E., RSP, SDC, GATE and Speech. All students participate in ELD program. The GATE students are mainstreamed in regular classes, and receive an enriched after school program. At- risk students receive challenging intervention iduring the school day and in programs beyond the regular school day.

Multimedia Technology

New computers have been placed in all classrooms and new printers have been placed in each wing. Meyer Elementary School is working to build on their resources on multimedia technology supplies and support:

- DynEd small 10 computer lab, made possible by donation of used computers from Tools for School
- 30 Alpha Smarts computers on a cart
- Currently two projectors to use for program implementation and assemblies, one of which is an All-in-one-cart (audio, DVD, projector, lap top connection)

Goals

As expressed in the Single School Plan, Arbuckle's goals are:

- As part of the AYP target, 35.2% of students in grades K-5 will achieve the performance level of proficient/advanced on the California Standards Test in English/Language Arts.
- As part of the AYP target, 37.0% of students in grades k-5 will achieve the performance level of proficient/advanced on the California Standards Test in Mathematics.
- All English Learners will increase two proficiency levels for students at proficiency level 1 and one
 proficiency level for students at proficiency levels 2-5 in one year's time as evidence on the annual
 CELDT.

Progress Monitoring

1. Use of state and local assessments to modify instruction and improve student achievement. Arbuckle has adopted a data-driven cycle of inquiry approach to school improvement that impacts budget, curriculum, instruction, assessment, and student achievement and is implementing data-driven instruction by making data readily available to all teachers. Since the current data system is cumbersome and difficult to access, the District invested in a data management system, called the "Cruncher". Easily accessible and simple to use, the "Cruncher" allows teachers to access their students' performance data so that they can compare it to school-wide, district, state and national data to ascertain student performance and guide their efforts to individualize instruction, provide differentiated instruction that is responsive to the students' assessed needs and measure the effectiveness of their own instruction. The Cruncher also allows administrators to assess the effectiveness of curriculum and support intervention programs. In addition, Cruncher information regarding criterion-referenced test performance (STAR, CELDT, etc.), district assessments, and writing samples, suspension, referral, and attendance data,

student work samples, authentic assessment data from project-based, inquiry-based, work-based, openended, and portfolio assignments, qualitative data to ascertain stakeholder satisfaction, and observations of student performance are used to measure whether all students are meeting the standards. In addition to state data, these local assessments are used to monitor teaching and learning:

- ♦ District Writing Assessment
- Reading Lions Assessments/Houghton Mifflin Curriculum Embedded Assessments
- ♦ Saxon Math Unit Assessments
- Marie Clay Observational Survey
- ◆ DRA (Developmental Reading Assessment)
- Use of data to monitor student progress on curriculum-embedded assessments and modify instruction.
 - ♦ Arbuckle uses the following state and local assessments to modify instruction and improve achievement:
 - ♦ California Standards Test/STAR Testing
 - District Writing Assessment
 - ♦ Houghton Mifflin Lectura Reading Lions Assessments
 - ♦ DRA fluency assessment
 - ♦ CELDT test program
 - ♦ Entry level placement and diagnostic tests for Holt Literature and Language Arts, High Point, prealgebra and algebra
 - Formative assessments based on California State Standards.
 - Standards Based Tests in Spanish
 - Observation Survey to assess Kindergarten preparedness

Schoolwide Programs

- ♦ After School Enrichment/Intervention Program
 - This program provides differentiated instruction for students falling below benchmark on Language Art assessments. Students receive 8 weeks of intensive instruction per cycle.
 - Every student at *Arbuckle* attends the after school enrichment program. It is our belief that children will continue to develop academically through different learning modalities. Thus, students attend art,

music, drama and sports classes through our after school enrichment program.

- Saturday Academy
 - This program provides intensive English instruction for our 2nd and 3rd grade students in preparation for the end of the year CST (California Standards Test).
- ♦ Homework Center
 - Students are provided assistance with their homework as well as tutoring in small groups.

School Facilities

Summary of Most Recent Site Inspection

The school was assessed in the following 15 categories: Gas Leaks; Mech/HVAC; Windows/Doors, Gates & Fences; Interior Surfaces; Hazardous Materials; Structural Damage; Fire Safety; Electrical; Pest/Vermin Infestation; Drinking Fountains; Restrooms; Sewer; Roofs; Playground/School Grounds; and Overall Cleanliness.

Repairs Needed

Unused paint should be removed from the F-wing. Ballasts need to be changed in A-1, B3, and D-3. Two toilets are out of order in the F and B wing girls' bathrooms. Stored items need to be removed from the D wing restroom.

Corrective Actions Taken or Planned

Unused paint will be removed from the F-wing. Ballasts were changed in A-1, B3, and D-3. The two out-of-order toilets in the F and B wing girls' bathrooms were repaired. Stored items were removed from the D wing restroom.

2007-08 School Accountability Report Card Report (SARC)

The School Accountability Report Card (SARC), which is required by law to be published annually, contains information about the condition and performance of each California public school. More information about SARC requirements is available at the <u>SARC</u> Web site. For additional information about the school, parents and community members should contact the school principal or the district office.

I. Data and Access

DataQuest

<u>DataQuest</u> is an online data tool that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g. Academic Performance Index [API], Adequate Yearly Progress [AYP]), test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Opportunities for Parental Involvement (School Year 2007-08) FOR MORE PARENT INVOLVEMENT INFORMATION, PLEASE CONTACT MARKEETA FIELDS AT 408-928-8200

This section provides information about opportunities for parents to become involved with school activities.

Cognizant that a parent involvement is essential to effective schooling, Meyer aggressively promotes a strong, comprehensive parent involvement policy. Not only does Meyer promote two-way communication about school programs and students' progress, but it also involves parents in instructional and support roles at the school. In addition to preparing parents to actively participate in school decision making and developing their leadership skills in governance and advocacy, Meyer also provides parents with strategies and techniques to assist their children with learning activities at home. Finally, to ensure that parents receive the health, social, and other support services that are necessary to live healthy lives and promote student achievement, Meyer provides parents with the skills and resources to access community and support services.

The parents, the community, and the businesses surrounding Meyer School participate actively through the PTA, School Site Council, City of San Jose crossing guards, Neighbor Initiative, Red Ribbon Week, Outdoor Science School, assemblies, parent volunteers on campus, fundraising, after school intervention program, School-Linked Services, Healthy Start, LEARNS program, Boys' and Girls' Club, Parent Night, Volunteer Day, English, writing, math, & reading classes, Family Math Night, Family Science Night, Family Literacy Night, Halloween Parade, Thanksgiving Turkey Trot.

Student Enrollment by Grade Level (School Year 2007-08)

III. School Climate

School Safety Plan (School Year 2007-08)

This section provides information about the school's comprehensive safety plan.

Meyer Elementary School has a very detailed, comprehensive safety plan that outlines protocols, systems, and procedures in the event of any/all emergencies. The plan also contains the yearly safety goals as determined by the students, staff, and parents. The Safety Plan is developed by the Meyer Safety Committee before it is presented to the Alum Rock Union Elementary School District Board of Trustees for adoption. The Safety Plan and drill procedures are reviewed during the year with all staff. Safety alerts are shared with all staff as needed throughout the school year. In addition, all required drills are calendared and completed, and the results are shared with the staff. The Meyer Safety Plan has a comprehensive, enforceable, and continuous:

- Behavior Policy
- Rules and Regulations
- Dress Code Policy
- Protocols for Safety/Emergency Drills
- Tardy Policy
- Attendance Policy
- Referral Policy
- Nondiscriminatory Policy on Student Rights and Responsibilities

Our vision for a "safe school" at Meyer is to provide a safe, nurturing environment by maintaining high expectations that will prepare each child to be a contributing and responsible member of society. School Linked Services work with our parents and students helping our At-Risk families with needed resources. Meyer School offers great workshops to help both parents and students master and use multiple learning strategies at home with their families. Meyer students wear school uniforms. Meyer School is a community with a culture that is academically successful, caring and safe for all students.

Suspensions and Expulsions

This table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school and district levels for the most recent three-year period.

	School	District
Kale		-

	2005-06	2006-07	2007-08	2005-06	2006-07	2007-08
Suspensions	4.6	3.5	2.8	15.0	11.6	10.6
Expulsions	0.0	0.0	0.0	0.1	0.1	0.0

IV. School Facilities

Facility Conditions and Planned Improvements (School Year 2008-09)

This section provides information about the condition of the school's grounds, buildings, and restrooms, and a description of any planned or recently completed facility improvements.

The District makes every effort to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the school office and at the district office. School facilities were constructed and are being renovated according to the Field Act requirements of the State Building Code that is heavily focused on earthquake safety. In the event that asbestos and lead containing building materials are found, they are managed and removed according to EPA and State and local requirements. Deferred maintenance funds have been used to properly maintain and renovate district buildings. Needed repairs and maintenance projected are completed in a timely manner.

School facilities are upgraded whenever possible to support and maintain a safe, clean and secure campus. Sufficient classroom, office, library, playground, staff space, and restroom facilities are allocated to support stakeholders' needs and the instructional program. The Alum Rock School District Maintenance and Grounds staff, in conjunction with day and night custodians, ensures the school buildings and grounds are safe, clean, and in good repair. Rigorous daily custodial schedules ensure that classrooms, lavatories, serving kitchens, eating areas, offices, and playgrounds are clean for both student and staff use. Regular oversight by district maintenance and grounds crews ensure that grass and landscaped areas are well maintained and that the school's buildings, grounds and play areas are safe for use.

All visitors are required to check-in at the school office. Fire drills and disaster procedures are specifically outlined and regularly updated and practiced. Safety programs include drug awareness, personal safety, and personal growth. To ensure a safe environment, the district provides extra yard duty supervisors, and all yard duty supervisors and school staff maintain a welcoming but controlled campus environment. The school grounds and playground are safe because they well-supervised by staff before, during, and after school.

Age of School Buildings

Although the main school campus was constructed in 1963, portable buildings have been added to accommodate the growing school population and diverse program needs.

Maintenance and Repair

District maintenance and facilities staff to ensure that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Cleaning Process and Schedule

The district's Board of Trustees has adopted cleaning standards for all schools in the district. The Leadership Team works daily with the custodial staff to maintain cleaning schedules to ensure a clean and safe school.

Deferred Maintenance Budget

The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floors systems.

Modernization Projects

During the 2007-2008 school year, local Measure A funds and state-matching funds were used to renovate existing facilities. The District makes every effort to ensure that all schools are clean, safe, and functional. To assist in this effort, School facilities were constructed and are being renovated according to the Field Act requirements of the State Building Code that is heavily focused on earthquake safety. Deferred maintenance funds have been used to properly maintain and renovate district buildings. Needed repairs and maintenance projects are completed in a timely manner. School facilities are upgraded whenever possible to support and maintain a safe, clean, and secure campus. Major projects for the past year included painting, heating, flooring, and roofing.

School Facility Good Repair Status (School Year 2008-09)

This table displays the results of the most recently completed school site inspection to determine the school facility's good repair status.

	Repa	air Sta	atus	
Item Inspected	Good	Fair	Poor	Repair Needed and Action Taken or Planned
Gas Leaks	V			
Mechanical Systems				
Windows/Doors/Gates (interior and exterior)	√			
Interior Surfaces (walls, floors, and ceilings)	√			
Hazardous Materials (interior and exterior)	\			Unused paint will be removed from the F-wing.
Structural Damage				
Fire Safety				
Electrical (interior and exterior)				Ballasts were changed in A-1, B3, and D-3.
Pest/Vermin Infestation	√			
Drinking Fountains (inside and outside)	√			
Restrooms		1		The two out-of-order toilets in the F and B wing girls' bathrooms were repaired. Stored items were removed from the D wing restroom
Sewer				
Playground/School Grounds	V			
Roofs	V			
Overall Cleanliness	V			

Overall Summary of School Facility Good Repair Status (School Year 2008-09)

This table displays the overall summary of the results of the most recently completed school site inspection.

	Facility Condition				
Item Inspected	Exemplary	Good	Fair	Poor	
Overall Summary	Good Condition				

V. Teachers

Teacher Credentials

This table displays the number of teachers assigned to the school with a full credential, without a full credential, and those teaching outside of their subject area of competence. Detailed information about teacher qualifications can be found at the DataQuest Web site.

		School		District
Teachers	2005-06	2006-07	2007-08	2007-08
With Full Credential	30	28	29	658
Without Full Credential	1	4	4	98
Teaching Outside Subject Area of Competence	0	0	0	N/A

Teacher Misassignments and Vacant Teacher Positions

This table displays the number of teacher misassignments (teachers assigned without proper legal authorization) and the number of vacant teacher positions (not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester). Note: Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Indicator	2006-07	2007-08	2008-09
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments	0	0	0
Vacant Teacher Positions	0	0	0

Core Academic Classes Taught by No Child Left Behind Compliant Teachers (School Year 2007-08)

This table displays the percent of classes in core academic subjects taught by No Child Left Behind (NCLB) compliant and non-NCLB compliant teachers at the school, at all schools in the district, at high-poverty schools in the district, and at low-poverty schools in the district. More information on teacher qualifications required under NCLB can be found at the NCLB Web site.

	Percent of Classes In	Core Academic Subjects
Location of Classes	Taught by NCLB Compliant Teachers	Taught by Non-NCLB Compliant Teachers
This School	96.7	3.3
All Schools in District	96.9	3.1
High-Poverty Schools in District	97.1	2.9
Low-Poverty Schools in District	90.9	9.1

VI. Support Staff

Academic Counselors and Other Support Staff (School Year 2007-08)

This table displays, in units of full-time equivalents (FTE), the number of academic counselors and other support staff who are assigned to the school and the average number of students per academic counselor. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	N/A	N/A

Library Media Teacher (Librarian)	N/A	N/A
Library Media Services Staff (paraprofessional)	0.5	N/A
Psychologist	0.4	N/A
Social Worker	N/A	N/A
Health Clerk	0.5	N/A
Speech/Language/Hearing Specialist	0.4	N/A
Resource Specialist (non-teaching)	0.4	N/A
Instructional Coach	1.0	N/A

VII. Curriculum and Instructional Materials

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2008-09)

This table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school, and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

Core Curriculum Area	Quality, Currency, and Availability of Textbooks and Instructional Materials	Percent of Pupils Who Lack Their Own Assigned Textbooks and Instructional Materials
Reading/Language Arts	100% SBE Approved SRA Open Court (2003) Open Court ELD Adopted in (2003) Hampton Brown Highpoint (2003) Sopris West Language! (2006)	0%
Mathematics	100% SBE Approved Saxon Math (2002) Prentice-Hall PreAlg (2002) McDougall-Littell Course 1(2002)	0%
Science	100% SBE Approved California Science (2006) Focus on Earth (2006)	0%
History-Social Science	100% SBE Approved History/Soc Sci for California (2006) The Ancient World (2006) The Medieval World & Beyond (2006)	0%
Foreign Language	N/A	N/A
Health	N/A	N/A
Visual and Performing Arts	N/A	N/A
Science Laboratory Equipment (grades 9-12)	N/A	N/A

VIII. School Finances

Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2006-07)

This table displays a comparison of the school's per pupil expenditures from unrestricted (basic) sources with other schools in the district and throughout the state, and a comparison of the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding school expenditures can be found at the Current Expense of Education Web page and teacher salaries can be found on the Certificated Salaries and Benefits Web page.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Supplemental)	Expenditures Per Pupil (Basic)	Average Teacher Salary
School Site	\$4,482	\$603	\$3,879	\$59,161
District	N/A	N/A	\$8,491	\$63,248
Percent Difference – School Site and District	N/A	N/A	54.3%	6.5%
State	N/A	N/A	\$5,300	\$64,702
Percent Difference – School Site and State	N/A	N/A	13%	8.6%

Types of Services Funded (Fiscal Year 2007-08)

This section provides information about the programs and supplemental services that are available at the school and funded through either categorical or other sources.

Meyer provides the following regular program services to enable at-risk students to show mastery on the content standards: After school intervention classes, Saturday Writing Academy, and LEARNS Program will be available to AT-Risk students who are scoring below proficiency levels in language arts, training will be provided in differentiated instructional practices in the area of reading, the Intervention Specialist will serve as a resource to classroom teachers to provide instructional strategies that will meet the needs of students scoring far below basic, below basic, and basic in the STAR test, and the Instructional Coach will incorporate test-taking skills/strategies across the curriculum.

Meyer also provides the following categorical funded services to enable students at-risk to master standards: effective implementation of the LEARNS Program at Meyer and after school tutoring/intervention in specific skills will address the needs of the students at risk, categorical funds are used to pay for the Intervention and Instructional Coach positions, and the Intervention Coach, the Instructional Coach, and the classroom teachers will analyze and review student data to determine if EL students are accomplishing their yearly progress goal (based on the length of time in the district's language program).

Teacher and Administrative Salaries (Fiscal Year 2006-07)

This table displays district-level salary information for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of a district's budget, and compares these figures to the state averages for districts of the same type and size. Detailed information regarding salaries may be found on the Certificated Salaries and Benefits Web page.

Category	District Amount	State Average For Districts In Same Category
Beginning Teacher Salary	\$45211	\$40667
Mid-Range Teacher Salary	\$70385	\$66167
Highest Teacher Salary	\$82154	\$84142
Average Principal Salary (Elementary)	\$94543	\$104640
Average Principal Salary (Middle)	\$99083	\$107227
Average Principal Salary (High)	\$108,995	\$131,881
Superintendent Salary	\$190266	\$167564
Percent of Budget for Teacher Salaries	41.2 %	42.3%
Percent of Budget for Administrative Salaries	7.4 %	5.4%

IX. Student Performance

California Standards Tests

The California Standards Tests (CSTs) show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades 2 through 11; science in grades 5, 8, and 9 through 11; and history-social science in grades 8, and 10 through 11. Student scores are reported as performance levels.

Detailed information regarding CST results for each grade and performance level, including the percent of students not tested, can be found on the <u>Standardized Testing and Reporting (STAR) Results</u> Web page.

CST Results for All Students - Three-Year Comparison

This table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards).

	School			District			State		
Subject	2005-06	2006-07	2007-08	2005-06	2006-07	2007-08	2005-06	2006-07	2007-08
English-Language Arts	27	31	34	33	33	35	42	43	46
Mathematics	43	43	52	38	41	43	40	40	43
Science	11	15	28	21	27	37	35	38	46
History-Social Science				25	27	29	33	33	36

Note: Scores are not shown when the number of students tested is 10 or less because the number of students in this category is too small for statistical accuracy or privacy protection. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

CST Results by Student Group – Most Recent Year

This table displays the percent of students, by group, achieving at the Proficient or Advanced level (meeting or exceeding the state standards) for the most recent testing period.

Percent of Students Scoring at Proficient or Advanced						
Group	English-Language Arts	Mathematics		History-Social Science		
African American	*	*	N/A	N/A		
American Indian or Alaska Native	*	*	N/A	N/A		
Asian	68	72	69	N/A		
Filipino	62	75	*	N/A		
Hispanic or Latino	28	48	22	N/A		
Pacific Islander	*	*	N/A	N/A		
White (not Hispanic)	*	*	*	N/A		
Male	31	51	30	N/A		
Female	34	52	25	N/A		
Economically Disadvantaged	34	52	28	N/A		
English Learners	17	38	7	N/A		
Students with Disabilities	8	24	*	N/A		
Students Receiving Migrant Education Services	*	*	*	N/A		

Note: Scores are not shown when the number of students tested is 10 or less because the number of students in this category is too small for statistical accuracy or privacy protection. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

California Physical Fitness Test Results (School Year 2007-08)

Grade Level Percent of Students Meeting Healthy Fitness Zones

5	7.9
7	N/A
9	N/A

Note: Scores are not shown when the number of students tested is 10 or less because the number of students in this category is too small for statistical accuracy or privacy protection. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

X. Accountability

Academic Performance Index

The Academic Performance Index (API) is an annual measure of the academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. Detailed information about the API can be found at the API Web page.

API Ranks – Three-Year Comparison

This table displays the school's statewide and similar schools API ranks. These ranks are published when the Base API is released each March. The statewide API rank ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest 10 percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest 10 percent of all schools in the state. The similar schools API rank reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performance is better than at least 90 of the 100 similar schools.

API Rank	2005	2006	2007
Statewide	3	2	3
Similar Schools	7	6	8

[&]quot;N/A" means a number is not applicable or not available due to missing data.

- "A" means the school or subgroups scored at or above the statewide performance target of 800 in 2008.
- **"B"** 6046155
- "C" means the school had significant demographic changes and will not have any growth or target information.
- "D" means this is either an LEA, an Alternative Schools Accountability Model (ASAM) school, or a special education school. Target information is not applicable to LEAs, ASAM schools, or special education schools.
- "E" indicates this school was an ASAM school in the 2007 Base API Report and has no target information even though the school is no longer an ASAM school.

API Changes by Student Group – Three-Year Comparison

This table displays by student group the actual API changes in points added or lost for the past three years, and the most recent API score. Note: "N/A" means that the student group is not numerically significant.

	Ac	tual API Char	Growth API Score	
Group	2005-06	2006-07	2007-08	2008
All Students at the School	6	19	9	725
African American	N/A	N/A	N/A	N/A
American Indian or Alaska Native	N/A	N/A	N/A	N/A
Asian	N/A	N/A	N/A	N/A
Filipino	N/A	N/A	N/A	N/A
Hispanic or Latino	13	24	9	705
Pacific Islander	N/A	N/A	N/A	N/A

[&]quot;*" means this API is calculated for a small school, defined as having between 11 and 99 valid Standardized Testing and Reporting (STAR) Program test scores included in the API. The API is asterisked if the school was small either in 2007 or 2008. APIs based on small numbers of students are less reliable and therefore should be carefully interpreted.

White (not Hispanic)	N/A	N/A	N/A	N/A
Socioeconomically Disadvantaged	19	19	9	725
English Learners	13	29	16	710
Students with Disabilities	64	N/A	N/A	N/A

[&]quot;N/A" means a number is not applicable or not available due to missing data.

- "A" means the school or subgroups scored at or above the statewide performance target of 800 in 2008.
- "B" means the school did not have a valid 2007 Base API and will not have any growth or target information.
- "C" means the school had significant demographic changes and will not have any growth or target information.
- "D" means this is either an LEA, an Alternative Schools Accountability Model (ASAM) school, or a special education school. Target information is not applicable to LEAs, ASAM schools, or special education schools.
- "E" indicates this school was an ASAM school in the 2007 Base API Report and has no target information even though the school is no longer an ASAM school.

Adequate Yearly Progress

The federal NCLB act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

Participation rate on the state's standards-based assessments in English-language arts (ELA) and mathematics Percent proficient on the state's standards-based assessments in ELA and mathematics API as an additional indicator Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found at the AYP Web page.

AYP Overall and by Criteria (School Year 2007-08)

This table displays an indication of whether the school and the district made AYP overall and whether the school and the district met each of the AYP criteria.

AYP Criteria	School	District
Overall	No	No
Participation Rate - English-Language Arts	Yes	Yes
Participation Rate - Mathematics	Yes	Yes
Percent Proficient - English-Language Arts	No	No
Percent Proficient - Mathematics	Yes	No
API	Yes	Yes
Graduation Rate	N/A	N/A

Federal Intervention Program (School Year 2008-09)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English-language arts or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found at the AYP Web page.

Indicator	School	District
Program Improvement Status	In PI	In PI
First Year of Program Improvement	2005-2006	2004-2005
Year in Program Improvement	Year 3	Year 3
Number of Schools Currently in Program Improvement	N/A	8

[&]quot;*" means this API is calculated for a small school, defined as having between 11 and 99 valid Standardized Testing and Reporting (STAR) Program test scores included in the API. The API is asterisked if the school was small either in 2007 or 2008. APIs based on small numbers of students are less reliable and therefore should be carefully interpreted.

Percent of Schools Currently in Program Improvement N/A 28.6

XI. School Completion and Postsecondary Preparation

Admission Requirements for California Public Universities

University of California

Admission requirements for the University of California (UC) follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements please visit the University of California Web site.

California State University

Admission requirements for the California State University (CSU) use three factors to determine eligibility. They are specific high school courses; grades in specified courses and test scores; and graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses utilize local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For general admissions requirements please visit the California State University Web site.

Dropout Rate and Graduation Rate

This table displays the school's one-year dropout rates and graduation rates for the most recent three-year period for which data is available. For comparison purposes, data are also provided at the district and state levels. Detailed information about dropout rates and graduation rates can be found on the DataQuest Web site.

	School			District			State		
Indicator	2004-05	2005-06	2006-07	2004-05	2005-06	2006-07	2004-05	2005-06	2006-07
Dropout Rate (1-year)	0	0	0	0	0	0	3.1	3.5	4.4
Graduation Rate	0	0	0	0	0	0	85.0	83.0	79.5

Completion of High School Graduation Requirements

Students in California public schools must pass both the English-language arts and mathematics portions of the California High School Exit Examination (CAHSEE) to receive a high school diploma. For students who began the 2007-08 school year in the 12th grade, as evidenced by that school year's October CBEDS enrollment, this table displays by student group the percent who met all state and local graduation requirements for grade 12 completion, including having passed both portions of the CAHSEE or received a local waiver or state exemption. Detailed information about the CAHSEE can be found at the CAHSEE Web page. Note: "N/A" means that the student group is not numerically significant.

	Graduating Class of 2008		
Group	School	District	State
All Students	N/A	N/A	N/A
African American	N/A	N/A	N/A
American Indian or Alaska Native	N/A	N/A	N/A
Asian	N/A	N/A	N/A
Filipino	N/A	N/A	N/A
Hispanic or Latino	N/A	N/A	N/A
Pacific Islander	N/A	N/A	N/A
White (not Hispanic)	N/A	N/A	N/A

Socioeconomically Disadvantaged	N/A	N/A	N/A
English Learners	N/A	N/A	N/A
Students with Disabilities	N/A	N/A	N/A

Career Technical Education Programs (School Year 2007-08)

This section provides information about the degree to which pupils are prepared to enter the workforce, including a list of career technical education (CTE) programs offered at the school.

Currently, the district is negotiating with the local Trades Union and the feeder high school district to establish a vertical slice career technical educational program partnership which will provide students with structured pathways for immediate entry into technical apprenticeships; prepare them for additional vocational training; and or prepare them to enter 4-year college/university technical programs. However, at this time, there are no Career Technical Education Programs at this school. However, technology is integrated into all curriculum areas to enhance instruction and provide opportunities for students to participate in project-based assignments as well as to provide them with the skills that are necessary to compete for jobs in a technology-based society.

Career Technical Education Participation (School Year 2007-08)

This table displays information about participation in the school's CTE programs.

Measure	CTE Program Participation
Number of the school's pupils participating in CTE	N/A
Percent of the school's pupils completing a CTE program and earning a high school diploma	N/A
Percent of school's CTE courses sequenced or articulated between the school and institutions of postsecondary education	N/A

Courses for University of California and/or California State University Admission (School Year 2007-08)

This table displays, for the most recent year, two measures related to the school's courses that are required for University of California (UC) and/or California State University (CSU) admission. Detailed information about student enrollment, in and completion of, courses required for UC/CSU admission can be found at the DataQuest Web site.

UC/CSU Course Measure	Percent
Students Enrolled in Courses Required for UC/CSU Admission	N/A
Graduates Who Completed All Courses Required for UC/CSU Admission	N/A

XII. Instructional Planning and Scheduling

Professional Development

This section provides information on the annual number of school days dedicated to staff development for the most recent three-year period.

Professional development opportunities for staff members are multifaceted and clearly and consistently linked to the state's standards and the school's core values. Professional development is driven by student data and directly linked to teaching and learning. All professional development opportunities are personalized to address the needs of all teachers, staff, and administrators. Not only do professional development activities for teachers reflect a best practices approach, but they also align with the California Standards for the Teaching Profession. Teachers and staff participate in professional development that is aligned with their individual needs at multiple levels. At the school level, professional development is structured to have a generalized focus (e.g., standards-based instruction), and specific facets of the professional development program (e.g., specific instructional strategies) are personalized to address the specific content area dynamics and needs. The district also offers a multitude of professional development opportunities and

teachers have multiple opportunities to select from a menu of ongoing staff development opportunities to broaden their knowledge, enhance their classroom management skills, and learning support strategies. Teachers have multiple opportunities to participate in District workshops; attend conferences; participate in District-sponsored new teacher workshops on classroom management, teaching and learning, etc.; in the Beginning Teacher Support and Assessment Program (BTSA); Peer Assistance and Review (PAR); and many literacy and teaching and learning seminars. In addition, many teachers take professional growth classes at local colleges and universities and attend workshops offered by the Santa Clara County Office of Education. Teacher selection for paid professional development activities is predicated on the value of the activity to identified student learning needs, teacher needs (based on assignment and performance data), and resource availability. To ensure that all school staff have the same opportunities for ongoing learning, the district offers classified staff a number of professional development activities that are designed to address their individual job descriptions. For example, classes are offered in Excel, eSchoolPlus, and other computer applications; safety and organizational maintenance; landscaping; and computer maintenance and repair. Similarly, administrators are offered ongoing professional development through their monthly meetings, professional organizations (Association of California School Administrators), and conferences.

To ensure that professional development opportunities are effective, teachers and administrators regularly analyze data and use their findings to inform decisions regarding teaching and learning, use of time, and overall professional development program integrity. To support teachers to implement new strategies, the site administrator makes frequent classroom visits and provides timely feedback to increase instructional effectiveness. In addition, the district employs literacy and math coaches who are available to work with teachers in developing and implementing appropriate and innovative instructional strategies that are aligned with the California Standards, are infused with higher level thinking skills, and are differentiated to accommodate the needs of all students.

Because teachers share "best practices", work towards common goals, collaboration and collegiality permeate the school culture. Consequently, teachers, as a group, realize the need to reach consensus about curriculum, instruction, discipline, teacher and program evaluation, and school operations. School wide and grade-level meetings are held routinely so that teachers can continue to work on professional development to support school-wide efforts to align curriculum with rigorous state content standards as well as to provide instructional support for literacy and differentiation to assure the achievement of all students. In addition to collaborating with their peers, our teachers also collaborate with middle schools to articulate curricula, gather data on student performance with which to refine the instructional program, share best practices, and gain new perspectives.
