## **School Accountability Report Card**

### **Reported Using Data from the 2019-2020 School Year**

#### **Published During 2020-2021**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### School Description and Mission Statement (School Year 2020-2021)

Cureton School has been providing a quality education to our community for over fifty years. Our teachers are dedicated to providing each and every student with the best educational opportunities possible despite distance learning due to COVID19. Our staff recognizes the importance of developing, in each student, an attitude of self-respect, self-worth, self-confidence, and a desire to be lifelong learners. Consequently, the whole Cureton staff is committed to create an exciting and challenging learning environment for all of our students.

We are a Visual and Performing Arts focused school, with students participating in choir, band, theater and art related instruction to enhance the core curricular areas. We have strengthened our two small learning communities at Cureton. Discovery small learning community is comprised of students in grades K-2, and Endeavor small learning community is comprised of students in grades 3-5. The small learning communities allow us to personalize education and strengthen the meaningful relationships we seek to develop with all students.

Cureton has continued its partnership with City Year. City Year is comprised of 6-10 corps members who provide student support from 8:00am-6:00pm each school day, including daily tutoring and mentoring for intensive students, leading academic clubs during recess and lunch periods, and supervising after-school activities for 40 students.

Cureton has welcomed the Little Heroes program which continues to provide us with a coach who offers recess, lunchtime and physical education activities for all students, and a before school recess for all students who arrive early.

Our community partnerships have grown in intentional and meaningful ways. We now have the Family Resource Center/ First 5, a vital resource for our families and community. We have renewed and strengthened relations with Starting Arts to support our VAPA theater strand and Silicon Valley Faces to provide Restorative Practices training to parents, staff and students.

Cureton staff strongly believes that parents are very important members of the school community. As a result, one of our continual goals is to make Cureton Elementary School a significant part of your family's life. To be the most effective we can be, we work together to create a positive learning environment for all our students. Therefore, we encourage you to become active and informed. This may be done by attending meetings of the School Site Council or the English Learners Advisory Committee, joining us for Cafecitos, volunteering to assist in the classroom, attending as many school programs and events as possible, and by keeping close communication with your child's teacher. Maintaining this type of parent participation and communication will play a vital role in your child's success. We are also happy to be developing a parent participation program and will be working with all families to assist them in completing 30 hours of parent participation hours.

Thank you in advance for your support. We welcome your suggestions, and we will solicit your help throughout the school year. If you need additional information or assistance, please do not hesitate to contact us at (408) 928-7350.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

### Teacher Credentials

## School Facility Conditions and Planned Improvements

The district makes every effort to ensure all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the school office and at the district office.

Cureton School was built in 1955. School facilities are being renovated according to the Field Act requirements of the State Building Code with a focus on earthquake safety. In the event that asbestos and lead containing building materials are found, they are removed according to Environmental Protection Agency (EPA), State, and local requirements. Deferred maintenance funds have been used to properly maintain and renovate district buildings. Needed repairs and maintenance projects are completed in a timely manner.

Whenever possible, school facilities are upgraded to support and maintain a safe, clean and secure campus. Sufficient classroom, office, library, playground, staff space, and restroom facilities are allocated to support stakeholders' needs and the instructional program. The Alum Rock School District Maintenance and Grounds staff, in conjunction with day and night custodians, ensure the school buildings and grounds are safe, clean, and in good repair. Rigorous daily custodial schedules ensure that classrooms, lavatories, serving kitchens, eating areas, offices, and playgrounds are clean for both student and staff use. Regular oversight by district maintenance and grounds crews ensure that grass and landscaped areas are well maintained, and that the school's buildings, grounds and play areas are safe for use.

During the 2008-2009 school year, the school received renovations using Measure G Bond funds, which included new landscaping, new parking, a new bus and passenger drop off, new campus fencing, new exterior lighting, a new marquee sign, new trash enclosures, and a new playground.

This year we will schedule 3-5 campus clean up days.

## School Facility Good Repair Status

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2018-19	School 2019-20	District 2018-19	District 2019-20	State 2018-19	State 2019-20

Mathematics (grades 3-8 and 11)	26	N/A	33	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

**State Priority: Other Pupil Outcomes**

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

**California Physical Fitness Test Results (School Year 2019-2020)**

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards

## C. Engagement

**State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

**Opportunities for Parental Involvement (School Year 2020-2021)**

Pertinent school information, including school data and programs are also available to parents in the Principal's Newsletters and Monday Messages, which is written in multiple languages. Because parent and community participation is essential to student achievement, Cureton School provides a number of parent and community involvement opportunities. Here is the link to our Parent Involvement Policy in English (<https://cutt.ly/NhELxof>) and Spanish (<https://cutt.ly/shEL5Lq>).

Parent education workshops enhance parent involvement in the development of their students' literacy skills. Literacy Night is scheduled in the spring. Students and parents are engaged in literacy activities with teacher guidance. Monthly newsletters are sent home to inform parents about the curricular programs and to communicate techniques for further development of students' literacy skills. Parent knowledge and parent involvement is increased in Reading and Language Arts through parent/teacher conferences, report cards, quarterly progress reports, and school-wide parent meetings (SSC, Coffee with the Principal, and ELAC) and online parent training.

In addition, our monthly community meetings provide another opportunity for parents to voice opinions and stay closely involved with the school.

During in-person learning, parents volunteer in our school-wide activities. Parents take part in some of the after-school intervention programs. In the past, parents also organized a walking school bus program before school in partnership with the City of San Jose Walk-n-Roll program and a Los Dichos group through YMCA. Auxiliary services for students and parents include:

academic performance assemblies (Student of the Month)  
incentives to motivate students (Color Rallies).

The Cureton contact person for parental involvement is our principal, Gloria Hayes-Perkins. She can be reached at 408-928-7350.

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.4	0.5	3.8	2.2	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

### Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.002645503		
Expulsions	0		

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

### School Safety Plan (School Year 2020-2021)

Cureton Elementary School has a very detailed, comprehensive school safety plan that outlines protocols, systems, and procedures in the event of any/all emergencies. This plan was revised in 2019. The plan also contains the yearly safety goals as determined by the students, staff, and parents. The Safety Plan is developed by the Cureton Safety Committee before it is presented to the Alum Rock Union Elementary School District Board of Trustees for approval. The plan was last approved by the school board in February 2019. The Safety Plan and drill procedures are reviewed during the year with all staff. Safety alerts are shared with all staff as needed throughout the school year. In addition, all required drills are calendared and completed, and the results are shared with the staff. The Cureton Safety Plan has a comprehensive, enforceable, and continuous behavior policy, set of rules and regulations, dress code policy, set of protocols for safety/emergency drills, tardy policy, attendance policy, referral policy, Internet policy, and a nondiscriminatory policy on student rights and responsibilities. The Safety Plan is revised annually.

Horace Cureton Elementary School is a closed campus during the hours of 8:00am-6:00 pm. Any persons wishing to enter the facility must obtain clearance in our office before entering campus. This includes outside organizations and all visitors. Once checked into the office, which consists of noting the date and time of visit, as well as the reason for the visit, all visitors are provided with a visitor badge. Visitors must also log their time of departure upon leaving the school. All classroom observations must also be pre-arranged 24 hours in advanced.

Campus safety is supported by exterior gates which remain closed and locked during the time of instruction. All entrants must pass through the office through our large double gates which remain open during the school day. Lighting is provided in all hallways and in the front of school beginning at 6:00pm each evening until 7:00am each morning. Furthermore, the grounds are monitored by the morning custodian beginning at 6:00am and concluding at 9:00pm with the evening custodian. During school hours, the administrators and teachers serve to provide safety support during the 10 minutes prior to the start of instruction, 10 minutes following the instructional day, and during all organized breaks (recess, lunch, and organized community events).

Our safety committee convenes to review and update the safety plan, identify new areas of concern, and calendar fire, earthquake, and disaster drills.

A comprehensive approach to creating safe and effective schools must include four components that interact and affect the safety of the whole campus. The four components are: the personal characteristics (students, school, community and staff); the school's physical environment; the school's social environment; and the school's culture.

## D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

### Types of Services Funded (Fiscal Year 2019-2020)

Cureton receives two categories of funding each year, the general fund and categorical funding. Our general fund covers the cost of our teachers and staff salaries. The majority of our school funding is defined as categorical funding, money that can be spent on very specific demographics of students, such as English learners. Categorical funding requires justification prior to spending, including careful review by our School Site Council and leadership team.

This funding is utilized to provide the support mechanisms our students need to succeed such as:

- Supplementary materials are available, such as: leveled readers, Big Books, Books on Tape, poetry charts, Scholastic News, Spelling books (grades 1-5), phonics books (grades 1 and 2),

dictionaries, thesauruses, class sets of trade books, classroom library books, educational software.

- In-services, release time, classroom/school visitations, extra-duty pay to support assessment.
- “Building Capacity” through demonstration sessions, workshops and seminars provided by consultants, peer coaches, administrators, and whenever possible, the expertise of classroom

teachers.

- Field trips based on content standards and assemblies based on content standards.
- Supplemental materials for RSP and SDC students.
