Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school.

• For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.

• For additional information about the school, parents and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., state Academic Performance Index [API], federal Adequate Yearly Progress [AYP]), test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

#### Additional Information

For further information regarding the data elements and terms used in the SARC see the 2013-14 Academic Performance Index Reports Information Guide located on the CDE API Web page at http://www.cde.ca.gov/ta/ac/ap/.

#### School Description and Mission Statement- Most Recent Year

The Arbuckle faculty has strived to create a college bound campus and classrooms. We have a college wall mural created by parents, faculty, and volunteers. There are inspirational messages above each classroom door and college banners hanging in classrooms. Each classroom has posted the year the students will graduate from college. Students respond to the acronym STARS and know what each letter stands for and responds when a teacher says STARS. (Sit up and stand up straight, Track, Ask and answer questions, Respect and Responsibility, and Scholars) We incorporate PeaceBuilders ideas in the classroom and on the playground. Students are taught to be respectful and responsible towards peers and adults.

Reading is a major goal in the classroom and school. Each child is expected to work at achieving grade level. Each classroom has an extensive library and students are encouraged to read during the day and each night. Accelerated Reading is part of each child's goal and we have AR assemblies with parents and success is celebrated. Most of the students do a great job of tracking their progress.

Students in forth and fifth grade participate in Student Council and Junior Coach. We are working on building leadership within the student body. Student Council meets often to plan activities to build school spirit. Junior Coaches supervise games and support Team spirit and behavior at recess.

Teachers are stressing pride, scholarship and planning for the future. Teachers conference with parents and students on a regular basis. We have a very active Student Study Team that meets to collaborate on the best ways to meet the needs of students.

We have City Year at our school. It extends the learning and opportunities for students to engage in activities and clubs that are enriching and support students and learning that takes place during the day.

#### School Facility Conditions and Planned Improvements - Most Recent Year

The district makes every effort to ensure all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the school office and at the district office.

School facilities are upgraded whenever possible to support and maintain a safe, clean and secure campus. Sufficient classroom, office, library, playground, staff space, and restroom facilities are allocated to support stakeholders' needs and the instructional program. The Alum Rock School District maintenance staff, in conjunction with day and night custodians, ensure the school buildings and grounds are safe, clean, and in good repair. Rigorous daily custodial schedules ensure that classrooms, lavatories, serving kitchens, eating areas, offices, and playgrounds are clean for both student and staff use. There is an ongoing and strenuous reinforcement of bathroom etiquette. Bathrooms are checked after each recess and after school. To maintain a clean cafeteria during the lunch period so everyone can eat off clean tables and have clean floors we implement a program called Golden Fork where students need to follow proper eating procedures and clean up after themselves. When their table and floor is clean they are awarded a ticket to go into a weekly drawing for a certificate named the Golden fork.

There are at least two Beautification Days each year. Parents, teachers and sponsors come to the school on a Saturday and plant flowers, clean windows, pick weeds, paint, and clean up surrounding streets.

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

#### **Opportunities for Parental Involvement - Most Recent Year**

Parent involvement is essential to effective schooling. Arbuckle actively promotes a strong, comprehensive parent involvement policy. Not only does Arbuckle promote two-way communication about school programs and student progress, but it also involves parents in instructional and support roles at the school. In addition to preparing parents to actively participate in school decision-making and developing their leadership skills in governance and advocacy, Arbuckle also provides parents with strategies and techniques to assist their children with learning activities at home. Additionally, to ensure parents receive the health and social services that are necessary to live healthy lives and to promote student achievement, Arbuckle provides parents with the skills and resources to access community support services.

Parent training is provided by Arbuckle teachers and administrator on topics which address academic achievement and accountability.

Parents of targeted students are provided workshops to help them support student learning in the home.

Community agencies provide counseling and family support to students and parents.

Parents are invited to volunteer in classrooms and different school activities throughout the year. Their service hours are recorded and parents are recognized at a ceremony at the end of the year.

For additional information, please contact the school principal, Shawn Rohan, community liaison, Chhaya Toum, or our PTO president Juanita Torres, at 408-928-7100.

#### School Safety Plan - Most Recent Year

At Arbuckle, a school of academic excellence, we strive to find and use the best practices, strategies and approaches to bring about optimal learning opportunities within a safe and caring school environment. We take student safety seriously. Training is provided in health and safety and emergency procedures, Lock down, shelter in place, first aid and communication. We have monthly fire drills two mock earthquake drills yearly where teachers are aware of their responsibilities. Lock down and Shelter in Pace drills take place once a year. A school-wide behavior system is in place with positive rewards. The PeaceBuilders curriculum supports and reinforces positive behavior and violence reduction. It teaches students to praise each other, to give up put downs, to seek wise people to notice and speak up about hurts, to right wrongs and to build peace at home, at school and in their community. We also state a bullying oath daily and do not tolerate bullying. In addition, the school's focus on scholarly conduct helps students behave in a positive and consistent manner. PeaceBuilder praise notes are given daily and posted in classrooms.

Arbuckle Elementary School has a very detailed, comprehensive school safety plan that outlines protocols, systems, and procedures in the event of any and all emergencies. The plan also contains the yearly safety goals as determined by the students, staff, and parents. The school safety plan is developed and reviewed on a yearly basis by the Arbuckle Safety Committee before it is presented to the Alum Rock Union Elementary School District Board of Trustees for annual approval. The plan was last updated and approved in February 2013. Safety alerts are shared with all staff as needed throughout the school year.

The Arbuckle Safety Plan contains a comprehensive, enforceable, and continuous behavior policy, set of rules and regulations, dress code policy, set of protocols for safety/emergency drills, tardy policy, attendance policy, referral policy, nondiscriminatory policy on student rights and responsibilities, campus security policy, harassment policy, conflict management policy, Internet safety policy, and intervention and referral system policy.

School visitors need to report to the office to sign in. Parents are fingerprinted and TB tested if they volunteer more than seven hours a week. They are given a visitor's badge to wear so they can be easily identified by students and staff. Gates are all locked as soon as school starts and only the main gate is unlocked at the end of the day. We have yearly inspections by the fire department to make sure we are at code.

#### Types of Services Funded (Fiscal Year 2013-14)

Arbuckle School provides the following categorically funded services to ensure under-performing students meet standards: Title I funds provide a Home Community Liaison position to support attendance and communication by phone or home visits. ST Math is an extra support in every classroom which provides students the opportunity to work on critical thinking skills on the computer.

Student of the month recognition, lunch with the principal, photo opportunity, and rewards are provided to recognize student achievement, effort, and positive attitude.

Accelerated Reader and STAR is used to assess reading and vocabulary to promote reading fluency. Awards are provided three times a year to motivate and reward students meeting their goals. We also purchase new books to support the classroom libraries.

Teachers identify at-risk or low-performing students and provide in-class and/or after school intervention.

Pull out tutoring, and after school intervention programs across the grade levels provide tutoring, academic support, and recreational enrichment activities are provided through the City Year program. We provide extra tutoring from Sylvan for grades 3-5 and Tutor Works for grades 1-2 to improve student strategies and student scores for testing.

#### **Professional Development - Most Recent Three Years**

This section provides information on the annual number of school days dedicated to staff development for the most recent three-year period.

Continuous professional development is a common practice for all Arbuckle staff. Teachers receive extensive training in the Open Court Language Arts Program. Teachers also receive training in Step-Up-To-Writing and ELD instruction. As a school we are continuously seeking professional development that will better help us meet the needs of our students. Teachers are receiving training in GLAD strategies. All teachers are engaged in in-house staff collaboration and training to develop their skills in all curricular areas.
