Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- For additional information about the school, parents and community members should contact the school principal or the district office.

I. Data and Access

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., state Academic Performance Index [API], federal Adequate Yearly Progress [AYP]), test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Additional Information

For further information regarding the data elements and terms used in the SARC see the 2013-14 Academic Performance Index Reports Information Guide located on the CDE API Web page at http://www.cde.ca.gov/ta/ac/ap/.

School Description and Mission Statement- Most Recent Year

Meyer has made many academic achievements and successes over the past eleven years of reform, and especially during the school years of 2008-2009 when we exited Program Improvement, and 2010-2011 when we achieved an Academic Performance Index (API) of 816 and a California Title 1 Recognition Award.

The staff at Meyer Elementary School is qualified, dedicated, knowledgeable, enthusiastic, and available for the students. Meyer offers personal growth to everyone. It is a good place to learn, to work, and to be. It is a place where everyone can feel secure in his or her mind, body, and surrounding environment.

As principal of Meyer Elementary School, my goal is to continue to provide support and instructional leadership to the Meyer community as we continue our growth in the development of a high-quality educational enterprise that prepares all of our students for life in a fast-changing and complex world; for our students are the most important people in our school. During the 2013-2014 school year, Meyer has increased its use of educational technology through the use of laptop carts and software aligned to meet the demands of the Common Core State Standards.

School Facility Conditions and Planned Improvements - Most Recent Year

Meyer School was built in 1963. School facilities are being renovated according to the Field Act requirements of the State Building Code with a focus on earthquake safety. In the event that asbestos and lead containing building materials are found, they are removed according to Environmental Protection Agency (EPA), State, and local requirements. Deferred maintenance funds have been used to properly maintain and renovate district buildings. Needed repairs and maintenance projects are completed in a timely manner.

Whenever possible, school facilities are upgraded to support and maintain a safe, clean and secure campus. Sufficient classroom, office, library, playground, staff space, and restroom facilities are allocated to support stakeholders' needs and the instructional program. The Alum Rock School District maintenance staff, in conjunction with day and night custodians, ensure the school buildings and grounds are safe, clean, and in good repair. Rigorous daily custodial schedules ensure that classrooms, lavatories, serving kitchens, eating areas, offices, and playgrounds are clean for both student and staff use. Regular oversight by district maintenance crews ensures that grass and landscaped areas are well maintained, and that the school's buildings, grounds and play areas are safe for use.

Planned improvements for the 2014-2015 school year include repainting the entire school facility and renovating the restrooms.

School Facility Good Repair Status - Most Recent Year

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

· Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement - Most Recent Year

Meyer knows that parent involvement is essential to effective schooling of all our students. Thus we actively promote a strong, comprehensive parent involvement policy. Meyer promotes two-way communication about school programs and students' progress. Meyer involves parents in instructional and support roles at the school by having them assist in the classroom, participate on school committees and Parent Teacher Association (PTA), and chaperon field trips. In addition to preparing parents to actively participate in school decision-making and developing their leadership skills in governance and advocacy, Meyer also provides parents with strategies and techniques to assist their children with learning activities at home. To ensure that parents receive the health, social, and other support services that are necessary to live healthy lives and promote student achievement, Meyer provides parents with the skills and resources to access community and support services.

The parents, the community, and the businesses surrounding Meyer School participate actively through the PTA, School Site Council, City of San Jose crossing guards, Red Ribbon Week, assemblies, parent volunteers on campus, fundraising, afterschool intervention program, Healthy Start, City of San Jose After School program, Boys' and Girls' Club, and Parent Nights. Parents can work together with their child on special projects such as the Halloween Parade/Fall Festival, the Thanksgiving Turkey Trot, school beautification days, and spring school activities.

Contact persons for parent involvement are: Sonia Castillo, PTA president; or Reena Patel, Principal at 1-408-928-8200.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- · Pupil expulsion rates; and
- · Other local measures on the sense of safety.

School Safety Plan - Most Recent Year

Evidence of student safety at Meyer Elementary School includes monitoring of grounds and classrooms at all times by the administrator, teachers, custodians, Para-professionals, and parent volunteers. All visitors are required to enter through the front office, sign in, and receive permission before proceeding onto the campus. Our school has a very detailed, comprehensive school safety plan which outlines protocols, systems, and procedures in the event of any/all emergencies. The plan also contains the yearly safety goals as determined by the students, staff, and parents. The Safety Plan is developed by the Meyer Safety Committee and School Site Council before it is presented to the Alum Rock Union Elementary School District Board of Trustees for approval. The plan was last approved in February of 2013. The Safety Plan and drill procedures are reviewed throughout the year with all staff. Safety alerts are shared with all staff as needed throughout the school year. In addition, all required drills are calendared and completed, and the results are shared with the staff. Meyer Elementary School has monthly fire drills, quarterly earthquake drills, and yearly Code Red/Code Blue training and/or updates.

Types of Services Funded (Fiscal Year 2013-14)

Meyer receives categorical funding. Categorical funding is money that can be spent on specific demographics of students, such as English learners. Categorical funding requires justification prior to spending, including careful review by our School Site Council and leadership team. We use the following categorical funds to support students' academic success: character education through Learning for Life -a division of the Santa Clara County Boy Scouts of America, after- school academic support classes, and after-school homework time. Students also attend the homework and academic enrichment program provided by the City of San Jose After School Program.

Training is provided in differentiated instructional practices in the area of language arts and math. The principal and resource teacher serve as a resource to classroom teachers to provide instructional strategies, test-taking skills and strategies, and technology training that will meet the needs of students not scoring proficient or advanced on the California Standards Test.

Categorical funds are used to pay for professional development for staff, the resource teacher position, extended duty for after-school academic support for students, and substitute teachers so that classroom teachers may observe each other, plan, and analyze student data to determine the needs of the students.

Professional Development - Most Recent Three Years

This section provides information on the annual number of school days dedicated to staff development for the most recent three-year period.

Professional staff development is important and Meyer ensures the alignment of staff development to academic standards. Teachers are encouraged to participate in AB466, new teacher participation in new teacher's program, and all teachers participate in school and district sponsored grade level meetings or other professional staff development, which focuses on standards-based adopted instructional programs.
