

School Plan for Student Achievement (SPSA) Template

Instructions and requirements for completing the SPSA template may be found in the SPSA Template Instructions.

School Name	County-District-School (CDS) Code	Schoolsite Council (SSC) Approval Date	Local Board Approval Date
Millard McCollam Elementary School	43-69369-6046254	May 26, 2020	June 25, 2020

Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Schoolwide Program

Briefly describe the school’s plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Comprehensive Needs Assessment Components

Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

Surveys

This section provides a description of surveys (i.e., Student, Parent, Teacher) used during the school-year, and a summary of results from the survey(s).

Survey results indicate that staff desires time to collaborate with their grade level regarding lesson planning and data analysis. Staff has a desire to learn from each other regarding instructional practice and a desire for professional development in the areas of mathematics, guided reading and addressing the needs of English Language Learners. More support is needed in the area of small group instruction. Training is also needed to further implement project based learning at the school. End of the year surveys administered to students indicate that approximately 70% of the student body (3rd - 5th grade) feels safe at school and that the school cares about them. Staff will work to raise these numbers by identifying actions to be implemented at the school to increase the number of students who feel safe, heard and cared for at McCollam. Based on survey results, parents who participated in our workshops felt that the workshops gave them information and strategies that they could use to better support their child's education. Consequently, we will look at implementing more parent workshops to support the learning of strategies and techniques to support their child academically and emotionally.

Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

During regularly scheduled classroom visits, teachers are becoming more proficient in incorporating small group instruction during the instructional day which allows them to differentiate instruction based on student need and provide intensive support for identified students. Academic language is used and encouraged during classroom instruction. Sentence stems are used to support language access and use among all students. Students working with partners and sharing their insights and learning is becoming more common during classroom instruction.

Analysis of Current Instructional Program

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

Standards, Assessment, and Accountability

Use of state and local assessments to modify instruction and improve student achievement (ESEA)

McCollam Elementary School uses the following state and local assessments to modify instruction and improve student achievement:

- CAASPP Program
- LPAC
- District Writing Assessments
- Benchmark Unit Assessments and Performance Tasks & Level Screener Data
- enVision Math Assessments
- i-Ready Language Arts Benchmark Assessments
- i-Ready Math Benchmark Assessments

Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

McCollam has adopted a data-driven cycle of inquiry approach to school improvement that affects budget, curriculum, instruction, assessment, and student achievement and is implementing data-driven instruction by making data readily available to all teachers. Easily accessible and simple to use, Illuminate allows teachers to access their students' performance data. This allows teachers the ability to compare class information to school-wide, district, state and national data to ascertain student performance and guide their efforts to individualize instruction, provide differentiated instruction that is responsive to the students' assessed needs and measure the effectiveness of their own instruction. These data systems also allow the administrator to assess the effectiveness of curriculum and support intervention programs. In addition, assessment information from following: criterion-referenced test performance (SBAC, LPAC, etc.); district assessments; and writing samples; suspension; referral; and attendance data; student work samples; authentic assessment data from project-based, inquiry-based, work-based, open-ended, and portfolio assignments, qualitative data to ascertain stakeholder satisfaction, and observations of student performance is used to measure whether all students are meeting grade level standards.

Staffing and Professional Development

Status of meeting requirements for highly qualified staff (ESEA)

All of McCollam's teachers are highly qualified.

Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)

All credentialed teachers will have access to Common Core State Standards training in language arts and mathematics. All teachers have access to this training and are encouraged to attend.

Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

McCollam Elementary School has ensured the alignment of staff development to academic standards through the following practices:

- Teachers have participated in K-5 CCSS training which has a heavy emphasis on standards-based materials.
- Teachers have participated in Guided reading, small group instruction, math training and other professional development training to support professional needs.
- Newly credentialed teachers will participate in activities that focus on the use of standards-based reading materials.
- All teachers will participate in school and district-sponsored grade-level meetings that focus on standards-based adopted instructional programs.
- Para educators will participate in district-sponsored reading workshops to develop their understanding and practices of effective reading fluency and comprehension strategies.
- Teachers have participated in on-line professional development to facilitate the implementation of Distance Learning.
- Teachers, the District, and the school principal will use the Benchmark Unit Assessments, and enVision Math Assessments to determine staff development needs.

Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)

All teachers at McCollam have access to District resources. The District models lessons for teachers to ensure full implementation of the District adopted language arts program. They also observe lessons and provide feedback and guidance to teachers.

Teacher collaboration by grade level (kindergarten through grade eight [K–8]) and department (grades nine through twelve) (EPC)

Teachers collaborate regularly. Time is set aside weekly for grade level collaboration meetings. These meetings could be grade level specific or cross grade level. In addition to the Tuesday meetings, all teachers are released from their teaching duties three times a year. These meetings are data driven and focus on struggling students and curriculum. Teachers have also learned to collaborate virtually utilizing an on-line platform.

Teaching and Learning

Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)

McCollam Elementary School has aligned curriculum instruction and materials to content and performance standards through the following practices:

- Teachers will have access to Common Core State Standards training in language arts and mathematics.
- Teacher recruitment, hiring, and evaluation will focus on meeting state standards criteria.
- Kindergarten has a minimum of 90 minutes of Language Arts and 60 minutes of Math standards-based instruction plus 30 minutes of ELD.
- Grades 1–3 have a minimum of 2.5 hours of Language Arts and 60 minutes of Math standards-based instruction plus 50 minutes of ELD.
- Grades 4 –5 have a minimum of 2 hours of Language Arts and 75 minutes of Math standards-based instruction plus 50 minutes of ELD.
- All textbooks and supplemental materials align with the standards.

Adherence to recommended instructional minutes for reading/language arts and mathematics (K–8) (EPC)

Kindergarten students receive 200 minutes of instruction every day. Students in grades 1st – 3rd receive 305 minutes of instruction four days a week and 230 minutes of instruction one day a week, and students in grades 4th- 5th receive 325 minutes of instruction four days a week and 250 minutes of instruction one day a week because the District has adopted a 4/1 schedule. Instructional minutes in reading and mathematics are strictly adhered to as evidenced in the lesson plans and posted class schedules. The District pacing guides in both these content areas also ensures that instructional minutes are being met.

Lesson pacing schedule (K–8) and master schedule flexibility for sufficient numbers of intervention courses (EPC)

Each year the District provides pacing guides for language arts and mathematics. Accurate pacing is monitored by the school principal and staff. Each program has a set component for differentiating instruction for students who need intervention.

Availability of standards-based instructional materials appropriate to all student groups (ESEA)

McCollam Elementary School ensures the availability of standards-based instructional material for all students through the following practices:

- The school has academic materials from the state-adopted list (K–8) that is aligned with the academic content standards.
- Teachers regularly examine student work samples at grade-level meetings to ensure that students are mastering grade-level standards.
- Teacher lesson plans make explicit reference to the standards being taught.
- Parents are given abbreviated versions of their children’s grade-level standards and expectations each year.
- The District at the site works with all teachers to ensure full implementation of standards-aligned curricular programs.
- Consumables are provided to implement standards-based instructional programs.
- Staff development is provided in effective research-based practices.
- Staff development is provided in the use of standards-aligned materials.
- Standards-based assessments are being utilized at the school site.
- Student work samples are used to assess mastery of the academic content standards.

Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

McCollam School uses materials which are State Board of Education-adopted and which have standards-aligned instructional materials, including intervention materials. The district Curriculum and Instruction department, through a committee process, conducts the review, selection, and purchase of textbooks for our students from the state approved list. McCollam teachers may participate in that process.

- The Benchmark Advance Reading Program provides the basis for the McCollam reading program.
- Our SBE mathematics program is Scott Foresman enVision Math. Math kits and hands-on manipulatives for problem-solving are abundant and integrated into the program. enVision Math is used at

all grade levels to support Common Core standards implementation.

- The district-adopted science program is Scott Foresman-California Science. Students participate in experiments and use hands-on materials to learn grade-level science standards through the

program.

- The history/social science program is implemented with textbooks, literature, and reference books, giving special attention to our diverse student population. The history/social science program is

centered on the Scott Foresman History-Social Science for California textbook series.

Opportunity and Equal Educational Access

Services provided by the regular program that enable underperforming students to meet standards (ESEA)

McCollam Elementary School provides the following regular services to enable under-performing students to meet standards.

- Saturday school, and before/after school intervention classes will be offered to at-risk students scoring below proficiency levels in Language Arts and mathematics.
- Training for teachers in differentiated instruction practices in the areas of reading and math.
- Staff members will serve as a resource to fellow classroom teachers to provide best practices and teaching strategies that best meet the needs of students scoring below the 40th percentile.
- Teachers will attend curriculum workshops provided by the District Office.
- Accelerated Reader is implemented in grades 1-5.
- Google Chromebooks and Thin Client laptops are used in grades 3 – 5.

Evidence-based educational practices to raise student achievement

McCollam School uses a wide variety of research-based educational practices to raise student achievement.

- Teachers make their lesson objectives clear by stating them and writing them on the board.
- Teachers monitor progress and provide positive corrective feedback.
- Teachers use non-linguistic representation such as graphic organizers and generating mental pictures.
- Teachers use focused practice such as homework.
- Teachers regularly have students identify similarities and differences.
- Teacher collaboration of student data is used regularly and systematically to improve instruction.
- Teachers regularly differentiate instruction to meet students' needs.
- Teachers collaborate with principal during scheduled one-on-one meetings to monitor student progress and achievement

Parental Engagement

Resources available from family, school, district, and community to assist under-achieving students (ESEA)

McCollam Elementary School uses the following resources to assist low performing students:

- An SST to address the academic and behavioral needs of students.
- Parent trainings are provided to better help parents support their child's academic progress.
- Before/after school, intervention classes will be offered to at-risk students scoring below the 50th percentile in Language Arts and math.
- Think Together After School Program assists students with homework and enrichment activities.

Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

McCollam School has a strong School Site Council comprised of the principal, parents, and teachers. The School Site Council along with the school's leadership team regular review the implementation of the School Plan and the consolidated application programs

Funding

Services provided by categorical funds that enable underperforming students to meet standards (ESEA)

McCollam Elementary School provides the following categorical funded services to enable under-performing students meet standards.

- Title I and general funds are used to fund extended teacher collaboration time with a focus on supporting low-achieving students by improving program implementation and improving teaching.
- Classroom teachers meet to analyze and assess student data to determine if EL students are meeting their annual yearly progress goal (based on length of time in the district's language program).
- Title I and general funds are used to fund family involvement activities.
- Title I and general funds are used to fund Accelerated Reader.
- Title I and general funds are used to fund LPAC testing.
- Title I and general funds and LCAP funds are used to purchase supplementary materials to support core Language arts and Math programs.

Fiscal support (EPC)

McCollam School relies on several funding sources: categorical, unrestricted, and donations. Categorical funding comes from Title I, General Fund and LCAP. Unrestricted funding comes from general education and lottery. Donations come from funds raised through the PTA, local business, and parents.

Stakeholder Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

The school consulted with parents, staff and community members in the planning process for the SPSA/Annual review and update. Plan reviewed at staff meetings, and SSC, ELAC and PTO meetings.

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

Student data results indicate that there is a discrepancy regarding academic achievement rates for our ELL and SPED students in comparison to our general population of students. Consequently, specific budgetary allocation of funds are needed to purchase additional materials and resources to

better support academic achievement of English learners and students with disabilities in the hopes of narrowing this achievement gap.

School and Student Performance Data

Student Enrollment Enrollment By Student Group

Student Enrollment by Subgroup						
Student Group	Percent of Enrollment			Number of Students		
	17-18	18-19	19-20	17-18	18-19	19-20
American Indian	0.81%	0.6%	0.95%	4	3	5
African American	0.81%	1.2%	1.71%	4	6	9
Asian	30.02%	31.27%	32.19%	148	157	169
Filipino	6.90%	7.57%	8.38%	34	38	44
Hispanic/Latino	50.91%	48.61%	46.48%	251	244	244
Pacific Islander	1.01%	0.4%	0.38%	5	2	2
White	5.88%	6.97%	5.52%	29	35	29
Multiple/No Response	%	%	4.38%			0
Total Enrollment				493	502	525

Student Enrollment Enrollment By Grade Level

Student Enrollment by Grade Level			
Grade	Number of Students		
	17-18	18-19	19-20
Kindergarten	112	114	115
Grade 1	92	86	83
Grade 2	63	92	86
Grade3	71	68	98
Grade 4	65	77	70
Grade 5	90	65	73
Total Enrollment	493	502	525

Conclusions based on this data:

1. Comparing the 2018-2019 school year with the 2019-2020 school year, our Asian population increased by 12 students (157 to 169); our Filipino population increased by six students (38 to 44); our Hispanic student population stayed the same (244 to 244); our American Indian population increased by two students (3 to 5); our, African-American population increased by three (6 to 9) and, our Pacific Islander population stayed the same (2 to 2).
2. Only student group to decrease in enrollment is our White population by six students (35 to 29).
3. Overall student enrollment increased from the 2018-2019 school year to the 2019-2020 school year from 502 students to 525 (23 students). Substantial growth in third grade students from 2018-2019 to 2019-2020 as number of students increased by 30 (68 to 98).

School and Student Performance Data

Student Enrollment English Learner (EL) Enrollment

English Learner (EL) Enrollment						
Student Group	Number of Students			Percent of Students		
	17-18	18-19	19-20	17-18	18-19	19-20
English Learners	159	171	141	32.3%	34.1%	26.9%
Fluent English Proficient (FEP)	98	87	127	19.9%	17.3%	24.2%
Reclassified Fluent English Proficient (RFEP)	52	19	63	33.5%	11.9%	36.8%

Conclusions based on this data:

1. The percentage of English Learners has decreased from 2017 to 2020 from 32.3% to 26.9% with the corresponding numbers decreasing from 159 to 141.
2. The percentage of Fluent English Proficient increased from 2017 to 2020 from 19.9% to 24.2% with the corresponding numbers increasing from 98 to 127.
3. The percentage of Reclassified Fluent English Proficient increased from 2017 to 2020 from 33.5% to 36.8% with the corresponding numbers increasing from 52 to 63.

Conclusions based on this data:

1. School-wide achievement in language arts for students meeting and/or exceeding standards on the CAASPP assessment for the 2018-2019 school year is as follows: All students at 58% as compared to the 2016-2017 school year with all students at 56%.
2. In the area of reading 79% of students were near/met or exceeded standards on the CAASPP for 2018-2019 as compared to 72% for the 2016-2017 school year. In the area of writing 75% of students were near/met or exceeded standards on the CAASPP for 2018-2019 as compared to 76% for the 2016-2017 school year.
3. In the area of listening 85% of students were near/met or exceeded standards on the CAASPP for 2018-2019 as compared to 82% for the 2016-2017 school year. In the area of research/inquiry 76% of students were near/met or exceeded standards on the CAASPP for 2018-2019 as compared to 82% for the 2016-2017 school year.

All Grades	31.61	28.70	28.71	43.52	45.29	46.89	24.87	26.01	24.40

Conclusions based on this data:

1. School-wide achievement in mathematics for students meeting and/or exceeding standards on the CAASPP assessment for the 2018-2019 school year is as follows: All students at 51% as compared to the 2016-2017 school year with all students at 53%.
2. In the area of concepts/procedures 67% of students were near/met or exceeded standards on the CAASPP for 2018-2019 as compared to 75% for the 2016-2017 school year. In the area of problem solving & modeling/data analysis 72% of students were near/met or exceeded standards on the CAASPP for 2018-2019 as compared to 73% for the 2016-2017 school year.
3. In the area of communicating reasoning 76% of students were near/met or exceeded standards on the CAASPP for 2018 - 2019 squalling the 76% achievement rate for the 2016-2017 school year.

All Grades	38.92	25.34	43.11	47.95	17.96	26.71	167	146

Conclusions based on this data:

1. Overall Language student performance: 15.75% of students for 2018-2019 compared to 41.32% of students for 2017-2018 tested well-developed; 38.36% of students for 2018-2019 compared to 27.54% of students for 2017-2018 tested moderately developed; 28.08% of students for 2018-2019 compared to 14.97% of students for 2017-2018 tested somewhat developed; and, 17.81% of students for 2018-2019 compared to 16.17% of students tested at the beginning level.
2. Domain in which the percentage of students scored the highest in 2018-2019 was in Speaking with 37.67% of students at the well developed level. The domain in 2017-2018 in which students scored at the highest was in the Listening domain with 55.69% of students at the well developed level.
3. Domain in which the percentage of students scored the lowest in 2018-2019 was in Reading with 10.27% of students at the well developed level. The domain in 2017-2018 in which students scored at the lowest level was in Written Language with 33.53% of students at the well developed level

School and Student Performance Data

Student Population

This section provides information about the school's student population.

2018-19 Student Population			
Total Enrollment	Socioeconomically Disadvantaged	English Learners	Foster Youth
502	59.4	34.1	0.2
This is the total number of students enrolled.	This is the percent of students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma.	This is the percent of students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses.	This is the percent of students whose well-being is the responsibility of a court.

2018-19 Enrollment for All Students/Student Group		
Student Group	Total	Percentage
English Learners	171	34.1
Foster Youth	1	0.2
Socioeconomically Disadvantaged	298	59.4
Students with Disabilities	49	9.8

Enrollment by Race/Ethnicity		
Student Group	Total	Percentage
African American	6	1.2
American Indian	3	0.6
Asian	157	31.3
Filipino	38	7.6
Hispanic	244	48.6
Two or More Races	17	3.4
Pacific Islander	2	0.4
White	35	7.0

Conclusions based on this data:

1. Hispanic and Asian Student Groups make up the largest percentage of students with 48.6% or 244 students and 31.3% or 157 students
2. 2018-2019 school year 171 English Learners or 34.1% of the student population at McCollam
3. 2018-2019 school year 298 Socioeconomically Disadvantaged students at McCollam or 59.4% of the student population at McCollam

School and Student Performance Data

Overall Performance

2019 Fall Dashboard Overall Performance for All Students

Academic Performance	Academic Engagement	Conditions & Climate
English Language Arts  Green	Chronic Absenteeism  Green	Suspension Rate  Blue
Mathematics  Green		

Conclusions based on this data:

1. Suspension rate at McCollam - very low with 0.2% of students being suspended at least once.
2. Chronic Absenteeism rate with 8.5% of students identified as chronically absent. This is a decrease of 3.3%
3. Academic performance in language arts identified at 15.6 points above standard, academic performance in mathematics identified at 1.1 points below standard.

School and Student Performance Data

Academic Performance English Language Arts

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

2019 Fall Dashboard English Language Arts Performance for All Students/Student Group				
All Students	English Learners	Foster Youth	Homeless	Socioeconomically Disadvantaged
 Green 15.6 points above standard Increased ++14.4 points 201	 Green 2.4 points below standard Increased ++13.7 points 97	 No Performance Color 0 Students	 No Performance Color 0 Students	 Green 1.4 points below standard Increased ++10.8 points 130
		 Orange 73.2 points below standard Increased Significantly ++25.2 points 45		

2019 Fall Dashboard English Language Arts Performance by Race/Ethnicity

African American  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 4	American Indian  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1	Asian  Blue 55.4 points above standard Increased Significantly ++15.4 points 57	Filipino  No Performance Color 33.8 points above standard Maintained ++0.7 points 12
Hispanic  Yellow 5.6 points below standard Increased Significantly ++10.5 points 106	Two or More Races  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 6	Pacific Islander  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 2	White  No Performance Color 10.8 points above standard 12

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

2019 Fall Dashboard English Language Arts Data Comparisons for English Learners

Current English Learner 85.8 points below standard Increased Significantly ++44.9 points 30	Reclassified English Learners 34.9 points above standard Maintained ++0.9 points 67	English Only 20 points above standard Increased ++5 points 90
--	---	---

Conclusions based on this data:

- Overall student performance on SBAC ELA portion is 15.6 points above grade level standards
- Achievement gap between Asian and Hispanic groups, with Asian students 55.4 points above grade level standards, while Hispanic students 5.6 points below standards
- English Learners scored 2.4 points below grade level standards. Socioeconomically disadvantaged students scored 1.4 points below grade level standards. Students with disabilities scored 73.2 points below standard

2019 Fall Dashboard Mathematics Performance by Race/Ethnicity

African American  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 4	American Indian  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1	Asian  Blue 52.8 points above standard Increased ++8.1 points 57	Filipino  No Performance Color 9.2 points above standard Declined Significantly -18.1 points 12
Hispanic  Yellow 32.3 points below standard Increased ++6.9 points 106	Two or More Races  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 6	Pacific Islander  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 2	White  No Performance Color 0.3 points below standard 12

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the Mathematics assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

2019 Fall Dashboard Mathematics Data Comparisons for English Learners

Current English Learner 100.9 points below standard Increased Significantly ++19.4 points 30	Reclassified English Learners 20.5 points above standard Maintained -1.4 points 67	English Only 4.5 points above standard Declined -3.4 points 90
---	--	--

Conclusions based on this data:

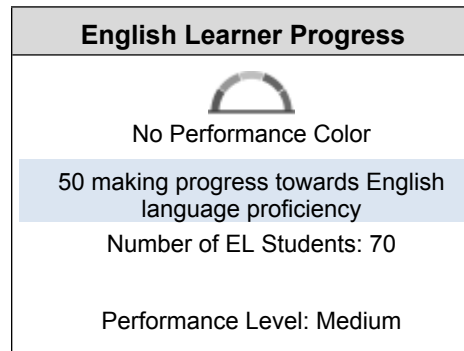

- Overall student performance on SBAC Mathematics portion is 1.1 points below grade level standards.
- Achievement gap between Asian and Hispanic groups, with Asian students 52.8 points above grade level standards, while Hispanic students 32.3 points below standards.
- English Learners scored 17.0 points below grade level standards. Socioeconomically disadvantaged students scored 22.3 points below grade level standards. Students with Disabilities scored 74.0 points below grade level.

School and Student Performance Data

Academic Performance English Learner Progress

This section provides a view of the percentage of current EL students making progress towards English language proficiency or maintaining the highest level.

2019 Fall Dashboard English Learner Progress Indicator

This section provides a view of the percentage of current EL students who progressed at least one ELPI level, maintained ELPI level 4, maintained lower ELPI levels (i.e, levels 1, 2L, 2H, 3L, or 3H), or decreased at least one ELPI Level.

2019 Fall Dashboard Student English Language Acquisition Results

Decreased One ELPI Level	Maintained ELPI Level 1, 2L, 2H, 3L, or 3H	Maintained ELPI Level 4	Progressed At Least One ELPI Level
12.8	37.1	4.2	45.7

Conclusions based on this data:

- 3% of students who took the ELPAC maintained ELPI level 4, while 9% decreased one ELPI level.
- 26% of students who took the ELPAC maintained one of the following ELPI levels: Level 1, 2L, 2H, 3L, or 3H.
- 32% of students who took the ELPAC progressed at least one ELPI level.

School and Student Performance Data

Academic Performance College/Career

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

Lowest Performance Red Orange Yellow Green Blue Highest Performance

This section provides number of student groups in each color.

2019 Fall Dashboard College/Career Equity Report				
Red	Orange	Yellow	Green	Blue

This section provides information on the percentage of high school graduates who are placed in the "Prepared" level on the College/Career Indicator.

2019 Fall Dashboard College/Career for All Students/Student Group		
All Students	English Learners	Foster Youth
Homeless	Socioeconomically Disadvantaged	Students with Disabilities

2019 Fall Dashboard College/Career by Race/Ethnicity			
African American	American Indian	Asian	Filipino

School and Student Performance Data

Academic Engagement Chronic Absenteeism

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

2019 Fall Dashboard Chronic Absenteeism Equity Report				
Red	Orange	Yellow	Green	Blue
0	0	3	2	2

This section provides information about the percentage of students in kindergarten through grade 8 who are absent 10 percent or more of the instructional days they were enrolled.

2019 Fall Dashboard Chronic Absenteeism for All Students/Student Group		
All Students  Green 8.5 Declined Significantly -3.3 551	English Learners  Green 9.5 Declined Significantly -3 199	Foster Youth  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1
Homeless  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 0	Socioeconomically Disadvantaged  Yellow 10.8 Declined Significantly -4.4 325	Students with Disabilities  Green 6.3 Declined -14.6 63

2019 Fall Dashboard Chronic Absenteeism by Race/Ethnicity

African American  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 8	American Indian  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 4	Asian  Blue 2.9 Declined Significantly -3.9 173	Filipino  Blue 2.4 Declined -6.2 42
Hispanic  Yellow 13 Declined -0.5 269	Two or More Races  No Performance Color 5.9 Declined -9.1 17	Pacific Islander  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 2	White  Yellow 11.1 Declined -7.1 36

Conclusions based on this data:

- 8.5% of students fell into the chronically absent category. This decreased by 3.3%. Students are considered chronically absent when they are absent 10 percent or more of the instructional days they were enrolled.
- Socioeconomically Disadvantaged have been identified as the highest student group with students considered chronically absent at 10.8%. This decreased by 4.4%.
- English learners had an identified chronically absent rate of 9.5% among identified students. This decreased by 3.0%.

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides information about the percentage of students in kindergarten through grade 12 who have been suspended at least once in a given school year. Students who are suspended multiple times are only counted once.

2019 Fall Dashboard Suspension Rate by Race/Ethnicity

African American  No Performance Color Less than 11 Students - Data 8	American Indian  No Performance Color Less than 11 Students - Data 4	Asian  Blue 0 Maintained 0 177	Filipino  Blue 0 Maintained 0 42
Hispanic  Blue 0 Declined -0.4 284	Two or More Races  No Performance Color 0 Maintained 0 17	Pacific Islander  No Performance Color Less than 11 Students - Data 2	White  Blue 0 Maintained 0 37

This section provides a view of the percentage of students who were suspended.

2019 Fall Dashboard Suspension Rate by Year

2017	2018	2019
	0.2	0

Conclusions based on this data:

1. Student suspension rate was low with .2% of the student population being suspended at least once.
2. Suspension rate for students with disabilities was identified at 0% declining 1.6%.
3. Suspension rate for English Learning students was identified at 0% declining .5%.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

LEA/LCAP Goal

Provide all students with a rigorous, challenging, and innovative instructional program that prepares them for college-readiness and for excellence in the 21st century.

Goal 1

For the 2020-2021 school year, McCollam elementary student proficiency levels in language arts will improve from 58.0% to 70.0% school-wide; from 33.0% to 70% in the area of reading; from 30.0% to 70.0% for writing; from 23% to 70% in the area of listening; and, from 28% to 70% in the area of research/inquiry. For the 2020-2021 school year, McCollam elementary student proficiency levels in mathematics will improve from 51.0% to 70.0% school-wide; from 37.0% to 70% in the areas of concepts/procedures; from 29.0% to 70% in the area of problem solving & modeling/data analysis; and, from 29% to 70% in the area of communicating reasoning. For the 2020-2021 school year, proficient or advanced students with disabilities in reading/language arts and mathematics will improve from 15.0% to 50.0% in ELA and improve from 18.0% to 50.0% in mathematics as measured on the CAASPP for the 2020-2020 school year. All teachers will be highly qualified and continue to develop their skills.

Identified Need

Academic improvement in the area of language arts and mathematics for all identified groups to include: general student population, English language learning students and students identified with a disability. Academic improvement in Language Arts in identified domains: reading, writing, listening, research/inquiry. Academic improvement in the Mathematics in identified domains: concepts/procedures, problem solving & modeling/data analysis, and communicating reasoning.

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
SBAC Assessment results in Language Arts and Mathematics	McCollam elementary student proficiency levels in language arts was 58.0%; while student proficiency in mathematics was at 51%. English Learner student proficiency was at 12%; while, students with disabilities proficiency was at 15% in language arts.	For 2020/2021 Overall, 70% proficiency in language arts 50% proficiency for English Learners and Students with disabilities Overall, 70% proficiency in mathematics 50% proficiency for English Learners and Students with disabilities

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All Students

Strategy/Activity

During staff meetings on-going review of 4 C's, Constructive Response, Close Reading and writing.

At staff meetings, on campus and/or virtually, staff participates in activities which support the importance of 4 C's, constructive response, close reading and narrative, informative and argumentative writing in the lesson planning process.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

0

Source(s)

Strategy/Activity 2

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All Students

Strategy/Activity

Provide time during staff/grade level meetings for grade levels to review ELA & Math standards and develop CCSS lesson plans.

Grade level teams will identify standards and develop lessons which support student mastery.

Lessons will incorporate 21st Century learning skills.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

0

Source(s)

Strategy/Activity 3

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All Students

Strategy/Activity

3. Staff development will be provided to increase teacher skill in the use of the ELA & Math CCSS with the district's reading/writing program.

Identified teachers will provide mini-lessons at staff meetings on campus and/or virtually focused on sharing strategies and techniques to be used to support student mastery of identified ELA & Math Common Core standards.

Identified teachers will be compensated for preparation time. This will be done throughout the school year at regularly scheduled staff meetings.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

All Students

Strategy/Activity

8. Teachers will be supported in the analysis of data, identifying student academic strengths and challenges and create action plans to re-teach and improve instruction, specifically for non-proficient students in identified ELA & Math content areas.

Teachers will regularly analyze test and quiz results, class work and homework.

Teachers will collaborate, create and implement learning plans for non-proficient students focused on identified ELA standard mastery.

Growth targets will be set.

Teachers will assess and monitor student progress and update action plans as needed.

On a weekly basis, grade level teams will collaborate to assess effectiveness of action plan in meeting student needs.

Daily walk-through of classrooms to monitor implementation of plans Extended duty for data collaboration outside of instructional day.

All ongoing throughout school year.

Proposed Expenditures for this Strategy/Activity

Strategy/Activity 12

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All Students

Strategy/Activity

12. Supplemental materials will be used to support student proficiency in identified ELA & Math content areas.

Purchase supplemental materials to support – daily practice in language arts and mathematics skills.

Renew Accelerated Reader program.

Journals, paper, writing instruments to be purchased.

Other supplemental materials will be identified and purchased to support student mastery of ELA standards.

Purchase i-Ready math and language arts instruction to be used in the classroom.

Purchase Lexia language arts instruction to be used in the classroom

Daily use of Math Masters - ensuring mastery of math facts by students.

Use of Steps to Success - strategies to support key vocabulary development and test taking strategies in math.

Use of Board Math in identified classrooms.

Building bird house and other projects focused on measurement and geometry.

Journals, paper, writing instruments to be purchased.

Other supplemental materials (i.e., technology, etc.) will be identified and purchased as necessary.

Proposed Expenditures for this Strategy/Activity

Annual Review

SPSA Year Reviewed: 2019-20

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

During the 2019-2020 school year, the school identified various instructional practices to better meet student academic needs, to include: Balanced literacy, small group leveled reading instruction. Grade level collaboration meetings focused on analyzing student data and using to develop lessons to better meet student needs.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Throughout the year, funds were allocated to support the identified instructional practices. For the most part, funds satisfactorily met the intended expenditures.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

More training for staff to support guided reading, analysis of student data and project based learning. Provide more targeted interventions for identified students in and outside of the classroom.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

LEA/LCAP Goal

English Learners will have the required skills to reach grade level standards/proficiency.

Goal 2

To support our limited English proficient students becoming proficient or advanced in language arts and mathematics, we will increase from 12% to 50% in ELA and 9% to 50% in Mathematics as measured by the SBAC.

Identified Need

Academic improvement needs to increase for English Language learning students in both Language Arts and Mathematics.

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
SBAC Assessment results in Language Arts and Mathematics	English Learner proficiency on SBAC was at 12% in Language Arts and 9% in mathematics	Increase from 12% to 50% in ELA and 9% to 50% in Mathematics as measured by the SBAC.

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

English Language Learners

Strategy/Activity

1. Staff will participate in lesson study process with a focus on Oral Language Development (OLD) for all students, especially our English Language Learners (ELLs).

Staff will attend grade level training during school day learning various OLD strategies (i.e., pair share, anchor charts, sentence stems, etc.).

Staff will implement these techniques in their lessons throughout the instructional day with a focus on their ELL students.

Staff members will identify case study student and define instructional strategies to be used to support student.

Grade levels will meet regularly to discuss strategies being used in lessons. Peer Coaches model OLD strategies being used in identified lessons.

Discuss in post – conference effectiveness in supporting student learning during lesson. Walk-through classrooms to monitor ongoing use of strategies and techniques in all classrooms throughout the school year.

Proposed Expenditures for this Strategy/Activity

Strategy/Activity 6

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

English Language Learners

Strategy/Activity

6. Teachers will be supported in the analysis of data, identifying student academic strengths and challenges and create action plans to re-teach and improve instruction, specifically for non-proficient ELL students in language arts and mathematics.

Teachers will regularly analyze test and quiz results, class work and homework.

Teachers will create and implement learning plans for non-proficient students focused on identified ELA and math standard mastery.

Teachers will assess and monitor student progress and update action plans as needed.

On a weekly basis, grade level teams will collaborate to assess effectiveness of action plan in meeting student needs.

Daily walk-through to monitor implementation of plans.

Extended duty for data collaboration outside of instructional day.

All strategies/activities ongoing throughout school year.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Annual Review

SPSA Year Reviewed: 2019-20

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Throughout the year implementation of Benchmark Advanced ELD Program in which: Oral Language Development strategies were used on a regular basis. Teachers grouped students to differentiate instruction. Staff integrated OLD strategies (i.e., pair share, anchor charts, sentence stems, etc.). Staff implemented these techniques in their lessons throughout the instructional day with a focus on their ELL students.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Throughout the year, funds were allocated to support the identified instructional practices. For the most part, funds satisfactorily met the intended expenditures.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

More training for staff to support ELL instructional practices. Provide more professional development on how to better meet academic needs of our ELL students. Staff will work to better understand how to implement small group reading instruction tailored to reading levels and ELL needs. Provide more targeted interventions for ELL identified students in and outside of the classroom.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

LEA/LCAP Goal

Provide all students and families a safe, welcoming, and caring environment conducive to learning.

Goal 3

All McCollam students will be educated in a learning environment which is safe, nurturing, supportive and conducive to learning.

The number of office referrals for student discipline will be reduced by 10%, the number of student excessive tardies will be reduced by 25%, and average daily attendance will increase to 98%. The academic and behavioral systems in place at McCollam will benefit 100% of our students.

Identified Need

Identified needs including the need to reduce student discipline referrals by 10%; reduce excessive tardies by 25%; and, to increase daily average attendance to 98%.

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
PBIS binder - collection of discipline referrals, eSchool identifying number of tardies and attendance rates.	Prior year: 45 Office referrals; 96% average attendance; and, 20 tardies on a daily basis	Reduce Office referral by 10% from 45 to 40; reduce tardies by 25% from 20 to 15; increase average attendance by 2% from 96% - 98%.

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All students

Strategy/Activity

1. Promote a positive culture in the classroom and throughout the school.

Identified teachers participate in PBIS training.

Professional development is provided to staff regarding PBIS model.

Administer positive Behavior Support Survey to staff.

Identify common school-wide and classroom behavior expectations.

Develop with school psychologist Positive Behavior Intervention Support referral for staff use.

Implement PBIS model in classrooms and throughout school.

Monitor number of behavior referrals to Office.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Annual Review

SPSA Year Reviewed: 2019-20

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Identified teachers participated in PBIS training. Through this Professional development was provided to staff regarding PBIS model. Staff was administered positive Behavior Support Survey. School identified and implemented common school-wide and classroom behavior expectations. Staff was trained on drill procedures which were conducted for fire, earthquake and intruder safety.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Throughout the year, funds were allocated to support a safe, welcoming, and caring environment conducive to learning at McCollam. Funds satisfactorily met the intended expenditures.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

More training for staff regarding PBIS implementation. Work with staff to promote an engaging learning environment which students want to be in. Also, more training with students in understanding how to promote a safe, and respectful school environment.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

LEA/LCAP Goal

Engage Stakeholders in a meaningful way that promotes a positive learning, working and community environment that is geared toward student achievement.

Goal 4

Provide meaningful opportunities in the classroom and the school for McCollam parents to support a positive learning environment focused on student achievement during the 2020-2021 school year.

Identified Need

Promote a positive learning, working and community environment that is geared toward student achievement.

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
Panorama Data	95% family members responded that the school climate supports academic learning.	Increase % of family members who feel that the school climate supports academic learning from 95% to 98%.

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All students

Strategy/Activity

1. Provide parent workshops to support volunteering opportunities in the classroom.

Provide parent workshops (on-campus and/or virtually) in which parenting strategies are combined with Common Core activities. The goal is for parents to have tools to better support their child's growth and learning.

Literacy and mathematics materials and games used to teach parents how to support children through CCSS aligned enrichment activities.

Parents trained to support student activities in the classroom, and trained to support distance learning (i.e., familiarity with Google Classroom, SeeSaw and Class DoJo, etc.).

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Annual Review

SPSA Year Reviewed: 2019-20

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Previous year, meetings with parents in which the principal reviewed issues and concerns, and topics of interest for the community. Items covered included i-Ready, SBAC testing, language arts, math activities to use at home with students, etc.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Funds satisfactorily met the intended expenditures. Funding of identified strategies supported parent participation and meaningful engagement at McCollam.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Increase opportunities for parents to participate in schoolwide events (on campus and/or virtually) focused on Science, Literacy, Math and other academic areas. More of an emphasis on supporting parents to volunteer both in the classroom and virtually, and participating in understanding and supporting academic program at McCollam.

Budget Summary

Complete the table below. Schools may include additional information. Adjust the table as needed. The Budget Summary is required for schools funded through the ConApp, and/or that receive funds from the LEA for Comprehensive Support and Improvement (CSI).

Budget Summary

Description	Amount
Total Funds Provided to the School Through the Consolidated Application	\$
Total Federal Funds Provided to the School from the LEA for CSI	\$
Total Funds Budgeted for Strategies to Meet the Goals in the SPSA	\$98,398.00

Other Federal, State, and Local Funds

List the additional Federal programs that the school is including in the schoolwide program. Adjust the table as needed. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

Federal Programs	Allocation (\$)
Title I	\$81,798.00

Subtotal of additional federal funds included for this school: \$81,798.00

List the State and local programs that the school is including in the schoolwide program. Duplicate the table as needed.

State or Local Programs	Allocation (\$)
	\$0.00
LCFF Supplemental/Concentration	\$16,600.00

Subtotal of state or local funds included for this school: \$16,600.00

Total of federal, state, and/or local funds for this school: \$98,398.00

Total Allocations by Funding Source

Total Allocations by Funding Source		
Funding Source	Allocation	Balance (Allocations-Expenditures)
Title I	81798	0.00
LCFF Supplemental/Concentration	16600	0.00
None Specified		

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 3 Classroom Teachers
- 1 Other School Staff
- 5 Parent or Community Members

Name of Members	Role
Pablo Fiene	Principal
Sudha Chundi	Parent or Community Member
Mary Fuchs	Classroom Teacher
Ben Chee	Classroom Teacher
Yesenia Higuera	Parent or Community Member
Ashley Phillips	Parent or Community Member
Julie Ueno Le	Parent or Community Member
Jonathan Tran	Classroom Teacher
Valerie Colin	Parent or Community Member
Daisy Madrigal	Other School Staff

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

Signature

Committee or Advisory Group Name

English Learner Advisory Committee

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on May 26, 2020.

Attested:

Principal, Pablo Fiene on

SSC Chairperson, Sudha Chundi on

Instructions

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan process.

The SPSA consolidates all school-level planning efforts into one plan for programs funded through the consolidated application (ConApp), and for federal school improvement programs, including schoolwide programs, Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), and Additional Targeted Support and Improvement (ATSI), pursuant to California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements. It also notes how to meet CSI, TSI, or ATSI requirements, as applicable.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the LEA that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with EC 65001, the Schoolsite Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

For questions related to specific sections of the template, please see instructions below:

Instructions: Linked Table of Contents

The SPSA template meets the requirements of schoolwide planning (SWP). Each section also contains a notation of how to meet CSI, TSI, or ATSI requirements.

For additional questions or technical assistance related to LEA and school planning, please contact the Local Agency Systems Support Office, at LCFF@cde.ca.gov.

For programmatic or policy questions regarding Title I schoolwide planning, please contact the local educational agency, or the CDE's Title I Policy and Program Guidance Office at TITLEI@cde.ca.gov.

For questions or technical assistance related to meeting federal school improvement planning requirements (for CSI, TSI, and ATSI), please contact the CDE's School Improvement and Support Office at SISO@cde.ca.gov.

Purpose and Description

Schools identified for Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), or Additional Targeted Support and Improvement (ATSI) must respond to the following prompts. A school that has not been identified for CSI, TSI, or ATSI may delete the Purpose and Description prompts.

Purpose

Briefly describe the purpose of this plan by selecting from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Description

Briefly describe the school's plan for effectively meeting ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Stakeholder Involvement

Meaningful involvement of parents, students, and other stakeholders is critical to the development of the SPSA and the budget process. Schools must share the SPSA with school site-level advisory groups, as applicable (e.g., English Learner Advisory committee, student advisory groups, tribes and tribal organizations present in the community, as appropriate, etc.) and seek input from these advisory groups in the development of the SPSA.

The Stakeholder Engagement process is an ongoing, annual process. Describe the process used to involve advisory committees, parents, students, school faculty and staff, and the community in the development of the SPSA and the annual review and update.

[This section meets the requirements for TSI and ATSI.]

[When completing this section for CSI, the LEA shall partner with the school in the development and implementation of this plan.]

Resource Inequities

Schools eligible for CSI or ATSI must identify resource inequities, which may include a review of LEA- and school-level budgeting as a part of the required needs assessment. Identified resource inequities must be addressed through implementation of the CSI or ATSI plan. Briefly identify and describe any resource inequities identified as a result of the required needs assessment and summarize how the identified resource inequities are addressed in the SPSA.

[This section meets the requirements for CSI and ATSI. If the school is not identified for CSI or ATSI this section is not applicable and may be deleted.]

Goals, Strategies, Expenditures, & Annual Review

In this section a school provides a description of the annual goals to be achieved by the school. This section also includes descriptions of the specific planned strategies/activities a school will take to meet the identified goals, and a description of the expenditures required to implement the specific strategies and activities.

Goal

State the goal. A goal is a broad statement that describes the desired result to which all strategies/activities are directed. A goal answers the question: What is the school seeking to achieve?

It can be helpful to use a framework for writing goals such as the S.M.A.R.T. approach. A S.M.A.R.T. goal is one that is **S**pecific, **M**easurable, **A**chievable, **R**ealistic, and **T**ime-bound. A level of specificity is needed in order to measure performance relative to the goal as well as to assess whether it is reasonably achievable. Including time constraints, such as milestone dates, ensures a realistic approach that supports student success.

A school may number the goals using the “Goal #” for ease of reference.

[When completing this section for CSI, TSI, and ATSI, improvement goals shall align to the goals, actions, and services in the LEA LCAP.]

Identified Need

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including local and state indicator data from the California School Dashboard (Dashboard) and data from the School Accountability Report Card, including local data voluntarily collected by districts to measure pupil achievement.

[Completing this section fully addresses all relevant federal planning requirements]

Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that the school will use as a means of evaluating progress toward accomplishing the goal. A school may identify metrics for specific student groups. Include in the baseline column the most recent data associated with the metric or indicator available at the time of adoption of the SPSA. The most recent data associated with a metric or indicator includes data reported in the annual update of the SPSA. In the subsequent Expected Outcome column, identify the progress the school intends to make in the coming year.

[When completing this section for CSI the school must include school-level metrics related to the metrics that led to the school’s identification.]

[When completing this section for TSI/ATSI the school must include metrics related to the specific student group(s) that led to the school’s identification.]

Strategies/Activities

Describe the strategies and activities being provided to meet the described goal. A school may number the strategy/activity using the “Strategy/Activity #” for ease of reference.

Planned strategies/activities address the findings of the needs assessment consistent with state priorities and resource inequities, which may have been identified through a review of the local educational agency's budgeting, its local control and accountability plan, and school-level budgeting, if applicable.

[When completing this section for CSI, TSI, and ATSI, this plan shall include evidence-based interventions and align to the goals, actions, and services in the LEA LCAP.]

[When completing this section for CSI and ATSI, this plan shall address through implementation, identified resource inequities, which may have been identified through a review of LEA- and school-level budgeting.]

Students to be Served by this Strategy/Activity

Indicate in this box which students will benefit from the strategies/activities by indicating "All Students" or listing one or more specific student group(s) to be served.

[This section meets the requirements for CSI.]

[When completing this section for TSI and ATSI, at a minimum, the student groups to be served shall include the student groups that are consistently underperforming, for which the school received the TSI or ATSI designation. For TSI, a school may focus on all students or the student group(s) that led to identification based on the evidence-based interventions selected.]

Proposed Expenditures for this Strategy/Activity

For each strategy/activity, list the amount(s) and funding source(s) for the proposed expenditures for the school year to implement these strategies/activities. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal, identify the Title and Part, as applicable), Other State, and/or Local.

Proposed expenditures that are included more than once in a SPSA should be indicated as a duplicated expenditure and include a reference to the goal and strategy/activity where the expenditure first appears in the SPSA. Pursuant to Education Code, Section 64001(g)(3)(C), proposed expenditures, based on the projected resource allocation from the governing board or governing body of the LEA, to address the findings of the needs assessment consistent with the state priorities including identifying resource inequities which may include a review of the LEA's budgeting, its LCAP, and school-level budgeting, if applicable.

[This section meets the requirements for CSI, TSI, and ATSI.]

[NOTE: Federal funds for CSI shall not be used in schools identified for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Annual Review

In the following Analysis prompts, identify any material differences between what was planned and what actually occurred as well as significant changes in strategies/activities and/ or expenditures from the prior year. This annual review and analysis should be the basis for decision-making and updates to the plan.

Analysis

Using actual outcome data, including state indicator data from the Dashboard, analyze whether the planned strategies/activities were effective in achieving the goal. Respond to the prompts as instructed. Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal the Annual Review section is not required and this section may be deleted.

- Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.
- Briefly describe any major differences between either/or the intended implementation or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.
- Describe any changes that will be made to the goal, expected annual measurable outcomes, metrics/indicators, or strategies/activities to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard, as applicable. Identify where those changes can be found in the SPSA.

[When completing this section for CSI, TSI, or ATSI, any changes made to the goals, annual measurable outcomes, metrics/indicators, or strategies/activities, shall meet the CSI, TSI, or ATSI planning requirements. CSI, TSI, and ATSI planning requirements are listed under each section of the Instructions. For example, as a result of the Annual Review and Update, if changes are made to a goal(s), see the Goal section for CSI, TSI, and ATSI planning requirements.]

Budget Summary

In this section a school provides a brief summary of the funding allocated to the school through the ConApp and/or other funding sources as well as the total amount of funds for proposed expenditures described in the SPSA. The Budget Summary is required for schools funded through the ConApp and that receive federal funds for CSI. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

From its total allocation for CSI, the LEA may distribute funds across its schools that meet the criteria for CSI to support implementation of this plan. In addition, the LEA may retain a portion of its total allocation to support LEA-level expenditures that are directly related to serving schools eligible for CSI.

Budget Summary

A school receiving funds allocated through the ConApp should complete the Budget Summary as follows:

- **Total Funds Provided to the School Through the Consolidated Application:** This amount is the total amount of funding provided to the school through the ConApp for the school year. The school year means the fiscal year for which a SPSA is adopted or updated.
- **Total Funds Budgeted for Strategies to Meet the Goals in the SPSA:** This amount is the total of the proposed expenditures from all sources of funds associated with the strategies/activities reflected in the SPSA. To the extent strategies/activities and/or proposed expenditures are listed in the SPSA under more than one goal, the expenditures should be counted only once.

A school receiving federal funds for CSI should complete the Budget Summary as follows:

- Total Federal Funds Provided to the School from the LEA for CSI: This amount is the total amount of funding provided to the school from the LEA.

[NOTE: Federal funds for CSI shall not be used in schools eligible for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Appendix A: Plan Requirements

Schoolwide Program Requirements

This School Plan for Student Achievement (SPSA) template meets the requirements of a schoolwide program plan. The requirements below are for planning reference.

A school that operates a schoolwide program and receives funds allocated through the ConApp is required to develop a SPSA. The SPSA, including proposed expenditures of funds allocated to the school through the ConApp, must be reviewed annually and updated by the SSC. The content of a SPSA must be aligned with school goals for improving student achievement.

Requirements for Development of the Plan

- I. The development of the SPSA shall include both of the following actions:
 - A. Administration of a comprehensive needs assessment that forms the basis of the school's goals contained in the SPSA.
 1. The comprehensive needs assessment of the entire school shall:
 - a. Include an analysis of verifiable state data, consistent with all state priorities as noted in Sections 52060 and 52066, and informed by all indicators described in Section 1111(c)(4)(B) of the federal Every Student Succeeds Act, including pupil performance against state-determined long-term goals. The school may include data voluntarily developed by districts to measure pupil outcomes (described in the Identified Need); and
 - b. Be based on academic achievement information about all students in the school, including all groups under §200.13(b)(7) and migratory children as defined in section 1309(2) of the ESEA, relative to the State's academic standards under §200.1 to—
 - i. Help the school understand the subjects and skills for which teaching and learning need to be improved; and
 - ii. Identify the specific academic needs of students and groups of students who are not yet achieving the State's academic standards; and
 - iii. Assess the needs of the school relative to each of the components of the schoolwide program under §200.28.
 - iv. Develop the comprehensive needs assessment with the participation of individuals who will carry out the schoolwide program plan.
 - v. Document how it conducted the needs assessment, the results it obtained, and the conclusions it drew from those results.
 - B. Identification of the process for evaluating and monitoring the implementation of the SPSA and progress towards accomplishing the goals set forth in the SPSA (described in the Expected Annual Measurable Outcomes and Annual Review and Update).

Requirements for the Plan

- II. The SPSA shall include the following:
 - A. Goals set to improve pupil outcomes, including addressing the needs of student groups as identified through the needs assessment.

- B. Evidence-based strategies, actions, or services (described in Strategies and Activities)
1. A description of the strategies that the school will be implementing to address school needs, including a description of how such strategies will--
 - a. provide opportunities for all children including each of the subgroups of students to meet the challenging state academic standards
 - b. use methods and instructional strategies that:
 - i. strengthen the academic program in the school,
 - ii. increase the amount and quality of learning time, and
 - iii. provide an enriched and accelerated curriculum, which may include programs, activities, and courses necessary to provide a well-rounded education.
 - c. Address the needs of all children in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards, so that all students demonstrate at least proficiency on the State's academic standards through activities which may include:
 - i. strategies to improve students' skills outside the academic subject areas;
 - ii. preparation for and awareness of opportunities for postsecondary education and the workforce;
 - iii. implementation of a schoolwide tiered model to prevent and address problem behavior;
 - iv. professional development and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data; and
 - v. strategies for assisting preschool children in the transition from early childhood education programs to local elementary school programs.
- C. Proposed expenditures, based on the projected resource allocation from the governing board or body of the local educational agency (may include funds allocated via the ConApp, federal funds for CSI, any other state or local funds allocated to the school), to address the findings of the needs assessment consistent with the state priorities, including identifying resource inequities, which may include a review of the LEAs budgeting, it's LCAP, and school-level budgeting, if applicable (described in Proposed Expenditures and Budget Summary). Employees of the schoolwide program may be deemed funded by a single cost objective.
- D. A description of how the school will determine if school needs have been met (described in the Expected Annual Measurable Outcomes and the Annual Review and Update).
1. Annually evaluate the implementation of, and results achieved by, the schoolwide program, using data from the State's annual assessments and other indicators of academic achievement;
 2. Determine whether the schoolwide program has been effective in increasing the achievement of students in meeting the State's academic standards, particularly for those students who had been furthest from achieving the standards; and
 3. Revise the plan, as necessary, based on the results of the evaluation, to ensure continuous improvement of students in the schoolwide program.

- E. A description of how the school will ensure parental involvement in the planning, review, and improvement of the schoolwide program plan (described in Stakeholder Involvement and/or Strategies/Activities).
- F. A description of the activities the school will include to ensure that students who experience difficulty attaining proficient or advanced levels of academic achievement standards will be provided with effective, timely additional support, including measures to
 - 1. Ensure that those students' difficulties are identified on a timely basis; and
 - 2. Provide sufficient information on which to base effective assistance to those students.
- G. For an elementary school, a description of how the school will assist preschool students in the successful transition from early childhood programs to the school.
- H. A description of how the school will use resources to carry out these components (described in the Proposed Expenditures for Strategies/Activities).
- I. A description of any other activities and objectives as established by the SSC (described in the Strategies/Activities).

Authority Cited: S Title 34 of the Code of Federal Regulations (34 CFR), sections 200.25-26, and 200.29, and sections-1114(b)(7)(A)(i)-(iii) and 1118(b) of the ESEA. EC sections 6400 et. seq.

Appendix B:

Plan Requirements for School to Meet Federal School Improvement Planning Requirements

For questions or technical assistance related to meeting Federal School Improvement Planning Requirements, please contact the CDE's School Improvement and Support Office at SISO@cde.ca.gov.

Comprehensive Support and Improvement

The LEA shall partner with stakeholders (including principals and other school leaders, teachers, and parents) to locally develop and implement the CSI plan for the school to improve student outcomes, and specifically address the metrics that led to eligibility for CSI (Stakeholder Involvement).

The CSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable);
2. Include evidence-based interventions (Strategies/Activities, Annual Review and Update, as applicable) (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" at <https://www2.ed.gov/policy/elsec/leg/essa/guidanceusesinvestment.pdf>);
3. Be based on a school-level needs assessment (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
4. Identify resource inequities, which may include a review of LEA- and school-level budgeting, to be addressed through implementation of the CSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities; and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(A), 1003(i), 1111(c)(4)(B), and 1111(d)(1) of the ESSA.

Targeted Support and Improvement

In partnership with stakeholders (including principals and other school leaders, teachers, and parents) the school shall develop and implement a school-level TSI plan to improve student outcomes for each subgroup of students that was the subject of identification (Stakeholder Involvement).

The TSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
2. Include evidence-based interventions (Planned Strategies/Activities, Annual Review and Update, as applicable). (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" <https://www2.ed.gov/policy/elsec/leg/essa/guidanceusesinvestment.pdf>.)

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B) and 1111(d)(2) of the ESSA.

Additional Targeted Support and Improvement

A school identified for ATSI shall:

1. Identify resource inequities, which may include a review of LEA- and school-level budgeting, which will be addressed through implementation of its TSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities, and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B), and 1111(d)(2)(c) of the ESSA.

Single School Districts and Charter Schools Identified for School Improvement

Single school districts (SSDs) or charter schools that are identified for CSI, TSI, or ATSI, shall develop a SPSA that addresses the applicable requirements above as a condition of receiving funds (EC Section 64001[a] as amended by Assembly Bill [AB] 716, effective January 1, 2019).

However, a SSD or a charter school may streamline the process by combining state and federal requirements into one document which may include the local control and accountability plan (LCAP) and all federal planning requirements, provided that the combined plan is able to demonstrate that the legal requirements for each of the plans is met (EC Section 52062[a] as amended by AB 716, effective January 1, 2019).

Planning requirements for single school districts and charter schools choosing to exercise this option are available in the LCAP Instructions.

Authority Cited: EC sections 52062(a) and 64001(a), both as amended by AB 716, effective January 1, 2019.

Appendix C: Select State and Federal Programs
